Dear Parents and Campers:

I would like to take this opportunity to invite you to attend the Gary McClure Baseball Camp. We have had successful camps in the past, and we are looking forward to another fun and enjoyable summer.

Along with our usual **total fundamental camps**, we also have two specialty camps designed for the more serious player. A reason for the success of past camps is our limited enrollment policy which guarantees quality instruction and playing time for all who attend. I encourage you to register early to ensure a spot in one of the four sessions.

My staff's goal is not only to help each camper become a better baseball player but to help each one become a better player in life. We stress fundamentals in all aspects of the game, along with team and individual discipline.

All campers will leave the camp with ideas that will improve their game. Baseball is fun, and our campers will learn how to have fun playing baseball during their time with us.

Sincerely,

Gary McClure
