Students enrolling at Austin Peay State University as Freshmen or transferring in with less than 60 semester hours of transferable credit must remove any high school deficiencies within their first 30 semester hours at APSU. Most deficiencies are required for all degree programs; therefore you are only required to submit a plan for Foreign Language. APSU offers the following: French, German, Greek, Latin and Spanish. Please see the University Bulletin for a list of acceptable courses for all High School Deficiencies. **If the deficiencies are not completed it will prevent you from graduating from the University.**

Please list the course and the term you plan to complete it below. If you are required to finish Foreign Language I & II deficiencies they must be the same language. (Ex. SPAN 1010 & SPAN 1020 – **NOT** SPAN 1010 & FREN 1020)
