Student Role/Participation in Institutional Decision Making

Austin Peay State University recognizes that students should (and do) participate in institutional decision making. Through the advice of the Student Affairs staff and through Austin Peay State University policies, the University exercises responsibility in directing student activities and student organizations. The Student Government Association (SGA) is an active and vital organization that serves as a link between the student body and the administration. The SGA (of which all students are members) addresses student issues to the Administration on a regular basis and serves as a governing body through the executive officers, the SGA Senate, and the Student Tribunal. The SGA president recommends student appointments for University standing committees, special committees, and search and selection committees. These recommendations are made through the SGA adviser and the associate vice president for student affairs to the president of the University. The student voice is an active component of the University's decision-making process.
