Suggested statements for 1000-2000 level course syllabi:

Students may be referred to *APSU Academic Alert* for any of the following reasons: missing class, habitual tardiness, a lack of class participation, not submitting assignments in a timely manner, and low quiz and test scores. If you are referred, expect to be contacted by the Academic Alert Coordinator, Ms. Hanson.

A mid-term grade will be awarded for all students in this course. The grade awarded may not necessarily be based on 50% of the course requirements and may or may not differ from the final grade. Your mid-term grade will be posted on AP Self Service.
