

ADDITIONAL FINANCIAL AID RESOURCES

Please inform us of any additional financial aid you expect to receive for the 2009-10 academic year. This will allow us to correctly calculate your total financial aid award. If you do not expect to receive any additional financial aid, you are not required to complete this form.

You must report any financial aid resources not listed on the enclosed award statement. If you do not report additional resources, you may get more aid than you are eligible to receive. As a result, you could be required to pay back excess funds. Additional resources include, but are not limited to, scholarships from private/civic organizations, veteran benefits, tuition assistance programs, state discounts for employees and/or dependents, graduate assistantships and any other resource(s) not listed on your 2009-10 financial aid award statement.

Adjustments to your financial aid award may be required. Please check <http://OneStop.apsu.edu> for updates.

Please check the box and provide information for all additional resources you expect to receive during the 2009-10 academic year. Attach a separate paper if needed.
