

We are extremely excited to meet everyone at **GOMB Color Guard auditions on June 10th!** At GOMB, we are all about educating our color guard and helping them reach both personal and group goals. Here you will find new friends that will become your second family while achieving new goals through fun and challenging technique exercises and choreography. Below you will find several important pieces of information for auditions as well as a schedule for the day and a list of basic skills we will cover. We look forward to meeting you! It's great to be a GOV!

Audition Information:

- *If you don't know how to do a skill, we will teach you. Don't stress about that at all.*
- *Please wear comfortable, dance appropriate clothing. Leggings and fitted tanks are a great option. Correct dance undergarments are also encouraged and required for the season.*
- *Please have actual tennis shoes. This is for your safety.*
- *Flags will be provided.*
- *Please bring your own weapons.*
- *Lunch is not provided but there are options within walking distance.*
