

## **TRADER'S CORNER**

With the budget situation, Purchasing has established an area where any department can advertise extra supplies or equipment that is no longer needed. These items would be free of charge and on a first come basis to any department that needs them.

Any office that has items to contribute should contact Rebecca Spriggle at 7032 or by email at [spriggler@apsu.edu](mailto:spriggler@apsu.edu). If a department is interested in obtaining any of the items, please contact the person indicated by each item.

If you have any suggestions to improve Trader's Corner, please let us know.
