

Dean's Council Report for the 3/4/09 meeting

1. There will be no late admits for conditional admit students.
2. We discussed the possibility of assigning our very weakest students to courses taught entirely by Nashville Tech.
3. We discussed who does the evaluations of courses from non accredited schools, and can we form a list of courses that have been approved before?
4. Paper course evaluations are on schedule for this term. However, it appears that we may be headed to on line evaluations.
