About

The Center of Excellence for the Creative Arts and the Acuff Circle of Excellence Board present the founding of The Acuff Circle of Excellence, a patron society devoted to advancing the role of arts and culture in the lives of Austin Peay State University students and the citizens of Montgomery County and surrounding region. The Circle seeks to maintain an association of individuals interested in strengthening and advancing the Center of Excellence for the Creative Arts by:

Providing and attracting financial support for the Center;

Sponsoring events and activities consistent with the mission and objectives of the Center;

Promoting the visibility and value of the Center and the Acuff Chair of Excellence;

Developing the Center's arts scholarship fund; and

Advocating for youth programming in the community.

The Circle is a nonprofit organization affiliated with the APSU Foundation. Membership is open, upon payment of dues, to any person, business or organization that shares in the purpose of the Circle.
