

**CALL FOR STATEMENT OF INTENT
FOR FALL 2010/SPRING 2012 COURSE REVITALIZATION PROJECTS**

Grant Initiative

The Title III goals to “Strengthen Student Retention” and “Revitalize Faculty Development” call for faculty-initiated and -developed projects that make substantial changes in pedagogy or delivery methods for the promotion of student retention and success. The Office of Title III Grant will provide financial and academic support for faculty to revitalize high-enrolled courses which traditionally have had low success rates. Course revitalization will take place Spring/Summer 2011 and piloted Fall 2011. Courses with lower enrollment will also be considered for funding. Participation is open to all full-time faculty.

Project Timeline

September 15, 2010:	Statement of Intent submitted
September-October 2010:	Faculty Development related to course revitalization
December 1, 2010:	Course Revitalization Proposal submitted
January 15, 2011:	Proposals selected for funding by the Senate RASI Committee
Spring/Summer 2011:	Course Development by selected faculty
Fall 2011:	Pilot of revitalized course
Spring 2012:	Evaluation of Fall pilot and continued pilot of revitalized course.

Compensation

A stipend of \$8,800 will be paid to a team of at least two faculty members whose proposal is selected to revitalize a course with enrollment of 100 or more students. A stipend of \$4,400 will be paid to a faculty member whose proposal is selected to revitalize a course with enrollment under 100 students per semester. One half of the stipend will be paid upon selection; the other half will be paid upon completion of all aspects of the project: attending faculty development, developing the course, piloting of the course, evaluating the outcome of the project, and disseminating the results to faculty.
