

Course Revitalization Proposal Scoring Rubric

Course Title and Number: _____

	EXEMPLARY (3 PTS)	ADEQUATE (2 PTS)	NEEDS IMPROVEMENT (1 PT)	MISSING (0 PTS)	SCORE
Academic Problem	Demonstrates significant room for improvement in student success or that the project will affect large numbers of students	Demonstrates some room for student improvement or that the project will affect moderate numbers of students	Provides minimal evidence for the academic problem	Academic problem not addressed	
Description of Course Revitalization	Clearly describes the revitalized course in its complete implementation	Adequately describes the revitalized course in its complete implementation	Poorly describes the revitalized course	No description of revitalized course in its complete implementation	
Description of Pilot Phase & Project Objectives	Clearly describes the pilot phase of the course revitalization & the project's objectives	Adequately describes the pilot phase & the project's objectives	Poorly describes the pilot phase or the project's objectives	No description of the pilot phase or the project's objectives	
Quality Enhancement	Clearly explains how the project will improve student success	Adequately explains how the project will improve student success	Poorly explains how the project will improve student success	No explanation of how the project will improve student success	
Methods	Specific & comprehensive explanation of all the steps that will be required to complete the project	General but sufficiently detailed explanation of the steps that will be required to complete the project	Sketchy & non-specific about the steps required to complete the project	Methods not provided	
Formative-Evaluation Methods (reflective process by which applicants will measure & improve the quality of student learning during the pilot phase)	Clearly & specifically states what the applicants will measure & how they will measure it	States what the applicants will measure & how they will measure it	Vaguely states what the applicant(s) will measure & how they will measure it	Formative-evaluation methods not provided	
Summative-Evaluation Methods (reflective process by which applicants will measure the effectiveness of course-delivery methods in achieving project objectives)	Clearly & specifically states what applicants will measure & how they will measure it; measurements clearly relate to project objectives	States what applicants will measure, how they will measure it; measurements generally relate to project objectives	Partially states what applicant(s) will measure & how they will measure it; measurements vaguely relate to project objectives	Summative-evaluation methods or their linkage to project objectives not provided	
Budget	Clearly identifies additional costs if any associated with course revitalization, & the costs clearly support project activities & are reasonable & appropriate	Generally identifies costs associated with course revitalization, & the costs generally support project activities & appear reasonable and appropriate	Vaguely identifies costs, or the costs vaguely support project activities or are seemingly reasonable & appropriate	Budget items are not accounted for, not connected to project activities, or inappropriate
