

AUTHORIZATION FORM

This form request is optional and will not prevent awarding and/or disbursement of Financial Aid funds.

However, federal regulations require authorization from the student to use Title IV funds (federal financial aid) to pay prior term charges **within the same academic year** and current non-educational charges (parking tickets, Health Services, Bookstore charges, etc.). Without your permission, your federal aid will pay only current tuition, fees, dorm room charges and meal plan if living on campus.

Please check the appropriate statement below.

- I authorize APSU to credit all Title IV funds to my student account to pay current educational and non-educational charges as well as prior term charges within the same academic year. I understand this authorization will remain valid while enrolled at APSU, and I may cancel this authorization, in writing, at any time.
- I do not authorize APSU to credit Title IV funds to pay current non-educational charges as well as prior term charges. I understand I will be responsible for all charges due to APSU.

By signing below I understand that my financial aid will be terminated if I fail to submit requested documents or knowingly provide false information on any financial aid documents required by Austin Peay State University. Aid awarded on the basis of false information will be billed to me. False or fraudulent information may be reported to the Federal Office of the Inspector General and/or the University Dean of Students.
