A Substitution form must be filled out and filed in the student's record. Some lower division courses are equivalent in content, but will not count as upper division hours. Course will not show on evaluation as an upper division course (3000 or 4000 level course), but will count as that course for graduation purposes.

**If two courses with the same APSU equivalent are taken, they will repeat at APSU.

Remedial courses do not count toward graduation.
