# EXPECTATIONS

## HOW DO I APPLY?

To apply to live in the SLC, fill out an application and submit it either electronically or mail it to Student Life and Leadership. Students also are encouraged to reserve a room through campus housing in case they are not accepted in the SLC. Students will be notified about their application status within three weeks of applying. Students need to pay the housing \$200 pre-payment.

Applications can be found on the Student Life & Leadership website:

## BENEFITS OF SERVICE LEARNING COMMUNITY

### WHAT IS A LEARNING COMMUNITY?

A learning community is a group of students living in the same residential area who interact academically and socially with each other, staff and faculty. Students in these communities participate in numerous activities that allow them to explore their shared area of interest.

- Organized service projects with a focus on individual development and reflection
- Live and serve with 20 new friends who will share experiences and common goals
- Live in a supportive and positive academic and social environment
- Gain an increased awareness of social issues faced by local and global communities
- Early move-in for SLC orientation and service trip
