

Inclement Weather Policy

During severe inclement weather the University will remain open, classes will be held, and the faculty and staff will be expected to perform their normal duties. Unless a modified schedule or an official closing due to catastrophic conditions (such as loss of heat, power outage, etc.) is announced over AP Alert, radio or TV broadcasts, employees are expected to report for work and students are expected to attend class. In cases of severe inclement weather or hazardous roads, students are to exercise their own judgment in making decisions about class attendance. For more information, visit <http://www.apsu.edu/alert/weather>.
