Cell phone _____ E-mail _____

Banner A number _____

The completed application must be delivered to the Student Publications office in Morgan University Center Room 111.

*The position listed will receive a scholarship at the end of the semester, and if hired, students should ensure their end-of-semester pay will not negatively affect their financial aid awards. Photographers will work for both **The All State** student newspaper and **The Monocle** yearbook.*

Photographer* (5+ hours a week) (2.25 minimum GPA)

- Still photography
- Motion photography
- Do you own photography equipment? (If so, what?) _____
- Do you know how to use Photoshop?

*Please attach appropriate samples of your work.

Have you ever worked for a school-related or professional print publication before? If yes, please specify if daily, weekly, etc.

What type of photography do you like the most and why?

Are you involved in any other activities/organizations on campus? If yes, specify. Please note that photographers cannot hold any position or be affiliated with the Student Government Association or hold any leadership position with a campus organization/department that could pose a conflict of interest.

What experience, skills would you bring to both publications?

What kind of time commitment could you offer?
