Program

Everyone had a wonderful time at the holiday potluck and ornament exchange. This meeting was one of our best with great fellowship with good friends. Several items were collected to give to the Clarksville Project Linus coordinators. The APSU Women's Club craft group will be making blankets at their next meeting to give to this organization as well.

The next Women's Club meeting will be January 19 at 12 noon in University Center 310. Dr. Becky Glass, Professor of Health and Human Performance will be the guest speaker. The topic of discussion will be Healthy – Inside and Out.

The following people have signed up to bring items for the January meeting:

Gina Garber – drinks
Joanne Shepard – paper products
Phyllis Whittaker - dessert
Joanne Shepard – ice

The meeting adjourned at 1:00.
