

As we look toward 2017 and Austin Peay State University's 90th anniversary, we stand on the brink of more than just another year in operation. APSU is growing in ways few could have imagined when Austin Peay Normal School was created as a teacher-training institution in 1927.

For the first time, APSU's Clarksville campus will finally link up with beautiful downtown Clarksville through the purchase of the 10.75-acre property that formerly housed the Jenkins

and Wynne Ford-Lincoln-Honda dealership. The opportunities for that property are truly exciting, as detailed by the recently unveiled vision of the of tomorrow, outlining possibilities of what College Street – and a thriving University as a whole – could resemble when Austin Peay approaches its 100th anniversary in 2027.

On campus, the growth of the University is no more apparent than by the construction of the new Art and Design Building, set to open in Spring 2017. One of the Southeast's centerpiece art programs, the APSU Department of Art and Design is expanding at a tremendous rate and this new building will only help in attracting some of the brightest young artists in the region.

There are so many things to be excited about at Austin Peay, and none of this would be possible without the generous support of our alumni and friends. This year alone, we have come together to raise over \$9 million in support of APSU and its mission of educating tomorrow's leaders. Your gifts are so important, and they serve as a reflection of your commitment to improving an already exceptional Austin Peay education for our students.

But giving back to Austin Peay is about more than financial contributions – it's about reconnecting with the campus community you inherited, and making sure it is even stronger for those who come after. Preparations are already underway for Homecoming 2016, and there is no better time to come back home, visit old friends, make new ones and explore for yourself all the ways you can let the world know that you're proud to "Be a Gov!"

CHARITABLE GIFT ANNUITY

In 2010, Dr. Harold S. Pryor ('46) established APSU's first gift annuity. That gift is now changing the lives of students.

What is a charitable gift annuity?

A charitable gift annuity combines a charitable gift with an income for life. A gift annuity allows you to make a gift to the APSU Foundation and the program of your choice while benefitting from the following:

- Safe, fixed income for your life and the life of a loved one
- Tax savings—immediately and in the future
- Favorable treatment of capital gains, if funded with appreciated assets
- Membership in a giving society at the level of your gift

How does a charitable gift annuity work?

In exchange for an irrevocable gift of cash, publicly traded securities or other assets, the APSU Foundation agrees to pay one or two individuals a fixed annual income backed by the resources of the APSU Foundation.

The minimum age to establish a gift annuity is 65. If you are using interest from CDs or dividends from other investments to assist in your living expenses, a gift annuity may be an option as the rate of return is greater than a CD and provides tax benefits.

Your income from a charitable gift annuity will never decrease, nor can you outlive it. This one-time purchase can provide a stable annual income and make a difference in the lives of APSU students.

If you have an interest in establishing a gift annuity, please call the APSU Advancement Office at 931-221-7127 or Office of University Advancement, P.O. Box 4417, Clarksville, TN, 37044
