Gina Garber, Professor and Coordinator of Digital Services

Scott Shumate, IT Analyst – Digital Services

Allie Michael, Assistant Director, IEA

## 2015-2016 Faculty Leadership Program (FLP)

- **FLP** offers an opportunity for selected faculty to acquire a more comprehensive awareness of university operations, current or upcoming initiatives, trends, and relevant literature, as well as work on a team project and present its findings to the president and provost.

- **Cohort:** Kallina Dunkle, Gina Garber, Gina Grogan, Leslie Hiatt, Darren Michael, John Nicholson, Adriane Sanders, and Charla White-Major
- **Facilitator:** Gray Kane

### Project Focus

- To increase interdisciplinary activity and collaboration across campus.

## **Deposit/Distribution License:**

- You retain full ownership of your work. The only rights ASPIRE/APSU request as part of this license are the right to make it available and keep it accessible by changing format should the need arise.

## **Storage:**

- If you are working on a grant that requires storage or access to data, contact us.

## **Open Access:**

- Copyright still applies, and these must be pre-prints unless your contract with the publisher allows otherwise.
