

Instructions for completing the side-by-side document

1. Clearly indicate the official name of your program, including the degree designation (ie: B.S. Biology or M.S. Biology) on the side-by-side. The name on the form should match the Academic Program Inventory, which may be found at <http://www.apsu.edu/academic-course-and-program-development/academic-program-inventory.php>
2. On the left hand side, please indicate the courses which are currently being utilized for your program. Courses should be placed under the appropriate heading in the template.
3. On the right hand side of the document, you will indicate the proposed curriculum. If an older course from the program is being deleted, you will leave a blank space in that line on the right hand side of the side-by-side document. If a course is being added, you will need to indicate that on a new line on the right with blank course information on the left side of the form.
