

LEADING THE WAY

Last year, these individuals and organizations established new scholarships and endowments at Austin Peay, creating life-changing opportunities for future APSU generations. Because of their generosity, their names — or the name of someone they love — will now be associated with Austin Peay in perpetuity.

An endowment is a permanent, self-sustaining source of funding. Endowments are invested, and each year, a portion of the value of the fund is paid out to support the endowment's purpose. The minimum amount to start an endowment is \$25,000.

A non-endowed scholarship is supported with an annual gift. This gift is paid out to support the scholarship's purpose. The desired minimum award is \$500 per year.

An asterisk indicates a gift that has been included in an estate plan.

THE LEGACY SOCIETY

The Austin Peay State University Legacy Society signifies a new era in the University's effort to recognize, in a meaningful way, those who share a commitment to the institution through planned & estate giving. If you have already made provisions for APSU in your will or through another type of planned gift, or you would like more information about how to include Austin Peay in your estate plan, contact the University Advancement Office at **931-221-7127**.
