Summer Camp
at

Austin Peay
State University

General Information

Manufacturing Technology Institute (MTI) Summer Camp at APSU
June 7, 2020 - June 26, 2020

The MTI Summer Camp is a grant funded, free camp at Austin Peay State University providing a unique opportunity for currently sophomore and junior high school students to gain dual enrollment credit in the Career and Technical Education (CTE) area. The purpose of the camp is to educate students in the industrial manufacturing workforce sector. Qualifying* students will be housed on campus at APSU during the three week summer camp which will consist of daily dual-enrollment lecture and lab sessions in the morning. In the afternoon, students will learn from business professionals about important soft skills for future successful employment. Also, there will be scheduled tours of local industrial manufacturing partners. Overall, the student is being exposed to a "one-stop shop" experience that allows him/her to explore different career paths while gaining real-world skills that can lead to a brighter future for the student. Funding for the MTI Summer Camp is provided by the 2019-2020 GIVE grant put forth by Governor Lee, and has a funded life-span of three years.

*Qualifying students must have a minimum 3.0 high school GPA, complete this application and should the student be accepted to the program, you will receive additional documents to complete (e.g., dietary information, immunization records, emergency contacts, and etc.).

Participants in the MTI summer camp are not required to be dual enrolled. However, if your student wants to have college credit then please check eligibility and apply to receive tuition assistance through TN Dual Enrollment Grant using the below link. Dual enrollment applicants must complete the 2019-2020 TN Dual Enrollment Grant application by **May 15**.

<https://www.tn.gov/collegepays/tsac-student-portal.html>

If you need any assistance with dual enrollment, please contact Ms. Jessica Robertson at RobertsonJ@apsu.edu or call at 931-221-7164.

We need the following parties' participation in order to complete this application: the student, the parent/guardian, and any school teacher/representative that can affirm the 3.0 high school GPA minimum.

School Representatives, completed forms can be emailed to the MTI Summer Camp Program at APSU_MTI@apsu.edu.

Or mailed to:

Student Assurances

I affirm, agree, and/or understand that all statements on this form are true and accurate; any misrepresentation or omission of material facts may result in disqualification or termination should I already be enrolled in the Manufacturing Technology Institute (MTI) Summer Camp.

By making this application, I and my parent/guardian agree to the release of any necessary school records to the MTI Summer Camp and the respective university for the purpose of determining eligibility. I/we understand and agree that such school records will be kept confidential and used only for determining admissibility to the MTI Summer Camp. Students who do not agree to the release of such school records for determining admissibility will not be considered for the MTI Summer Camp.

I certify to the best of my knowledge all of the information provided in this application is correct. I acknowledge that information about me may be used for publicity purposes if I am selected to attend a MTI Summer Camp.

Student's Signature

Parent/Guardian Assurances

I have carefully reviewed the information on this application and give my permission for my son/daughter to proceed with application procedures. I acknowledge that the Manufacturing Technology Institute Summer Camp may offer university course credit and grades which will require university enrollment. I authorize the high school and its employees to release any information necessary for this application.

Parent/Guardian's signature

School Representative Assurances

I nominate the applicant listed above for the Manufacturing Technology Institute (MTI) Summer Camp and certify that the applicant meets the criteria of the MTI Summer Camp to which the application is made. I recommend this student for admission to the MTI Summer Camp for admission to the hosting university during summer session 2020, and for enrollment in university courses which may or may not allow the student to earn postsecondary credit and grades.
