How to link key assessment from SLL to D2L

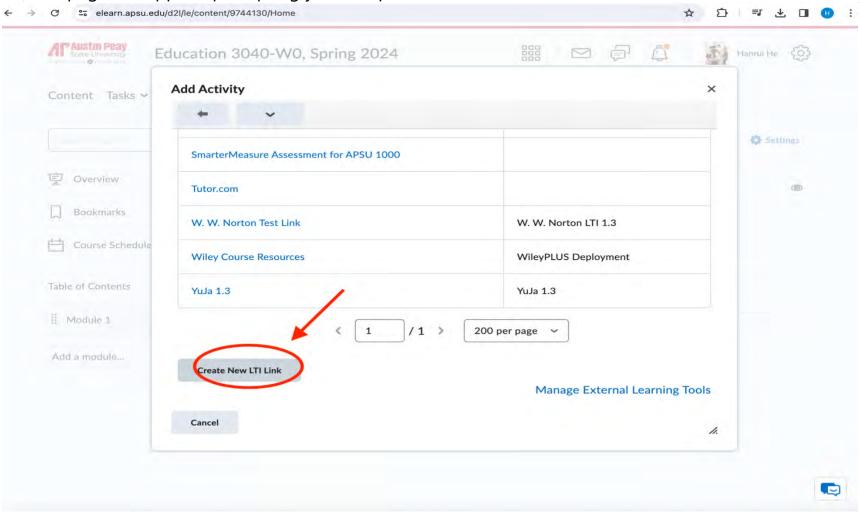

Step 1:

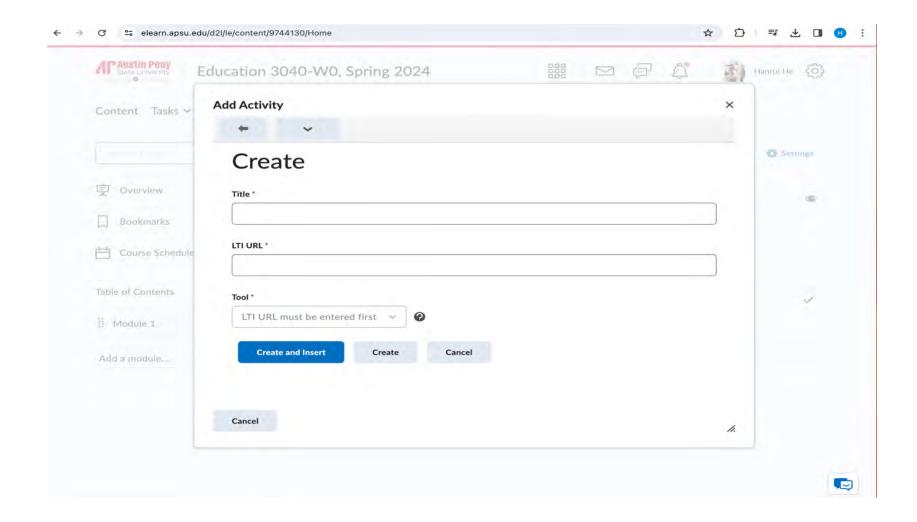

- 1. Access D2L.
- 2. Choose the specific course where you intend to add the link.
- 3. Select "Content" from the menu options.
- 4. Navigate to the desired module or folder where you wish to place the link.
- 5. Click "Add Existing Activities" and opt for "External Learning Tools".

Here's an illustrative example: elearn.apsu.edu/d2l/le/content/9744130/Home **■1 7 □ □** : Education 3040-W0, Spring 2024 Content Tasks ~ Communication ~ Resources ~ Edit Course Module 1 **©** Overview Add dates and restrictions.. Bookmarks Add a description... Course Schedule Add Existing Activities Bulk Edit Assignments Table of Contents to create and update topics Cengage Content II Module 1 Add a sub-mod Add a module... Checklist Discussions ePortfolio Item **External Learning Tools** Form Templates

Step 2

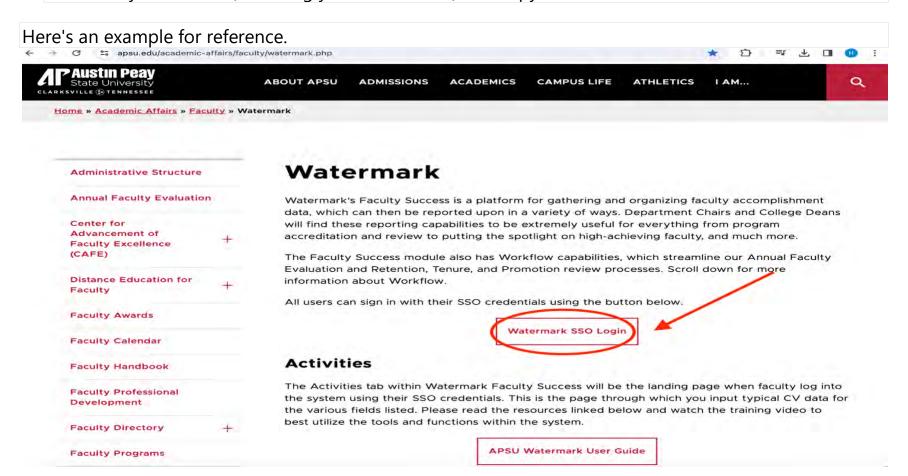

- Click on the "Create new LTI link."
- A page will appear, prompting you to input the "title" and "LTI URL."

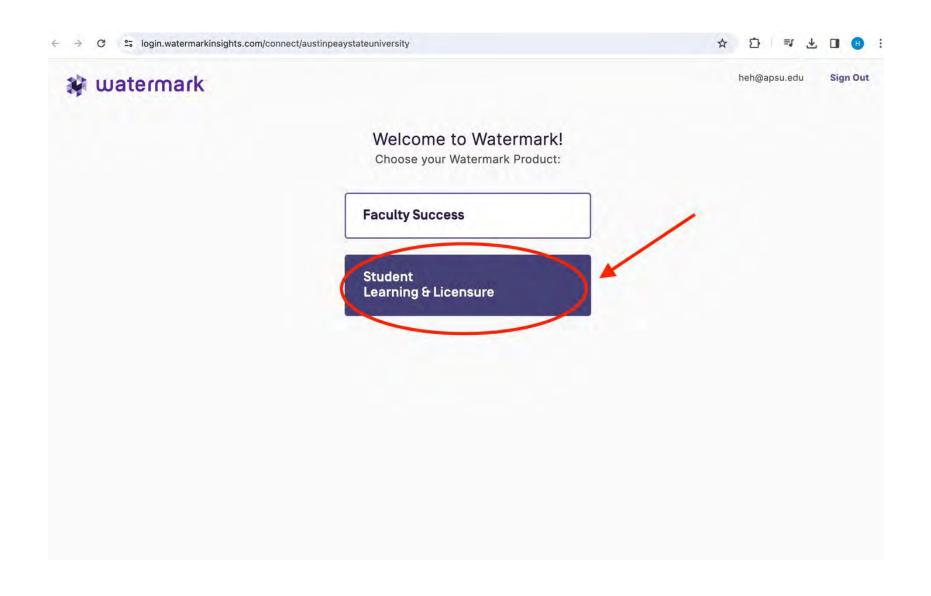

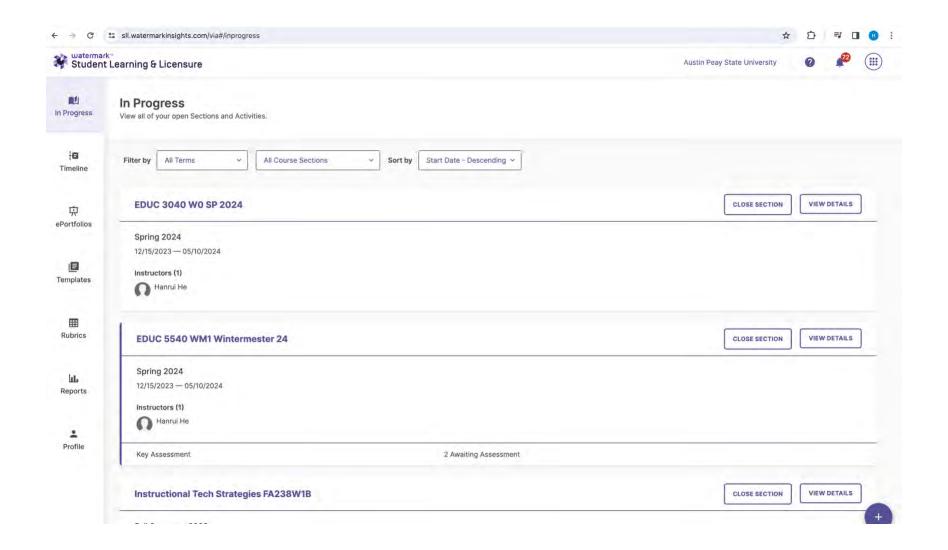

Step 3

- Open a separate tab on your computer.
- Log into the Watermark system on the APSU site.
- Click on "Watermark SSO login."
- Select "Student Learning & Licensure."
- Locate your course (matching your D2L course) and copy the course name.

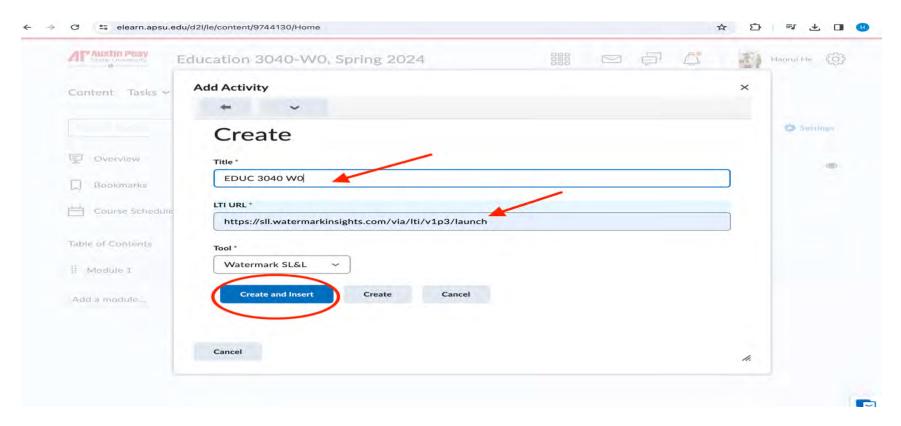

Step 4:

- Return to your D2L platform.
- Paste the course name as the "Title."
- Copy and paste the provided link (https://sll.watermarkinsights.com/via/lti/v1p3/launch) into the "LTI URL*."
- Click on "Create and Insert."

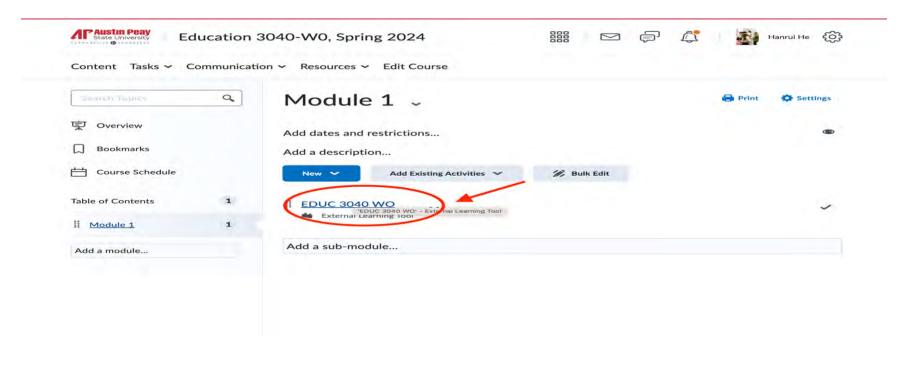

Your link has now been successfully posted in your D2L course. Here's an illustration to assist you further.

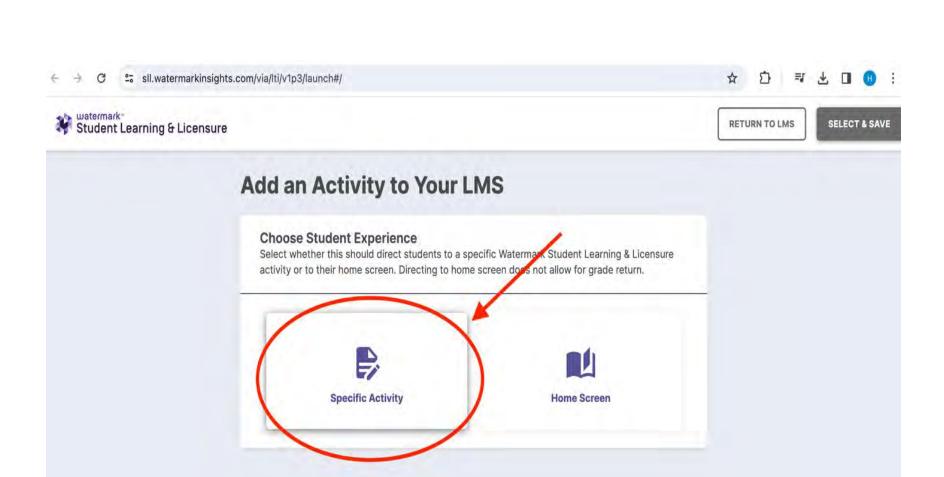

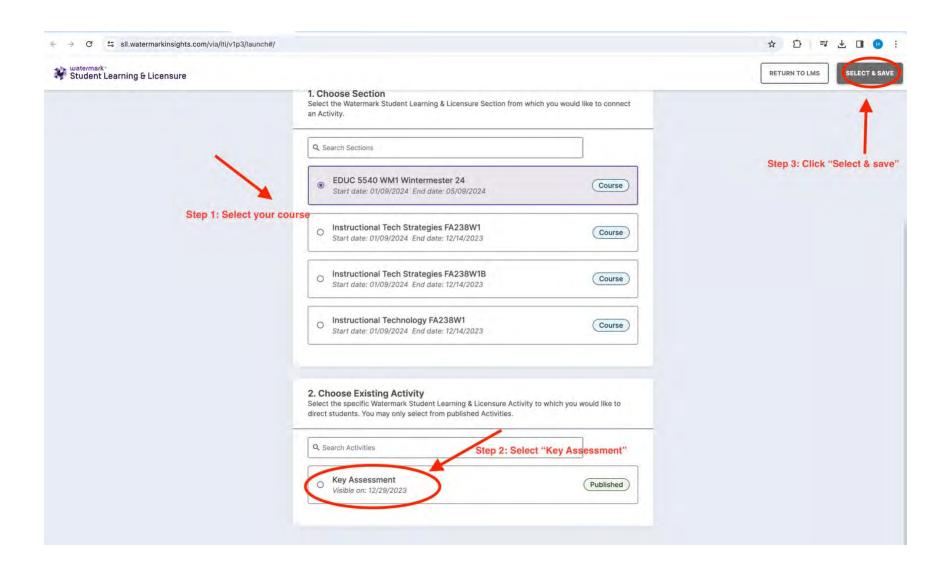

Step 5:

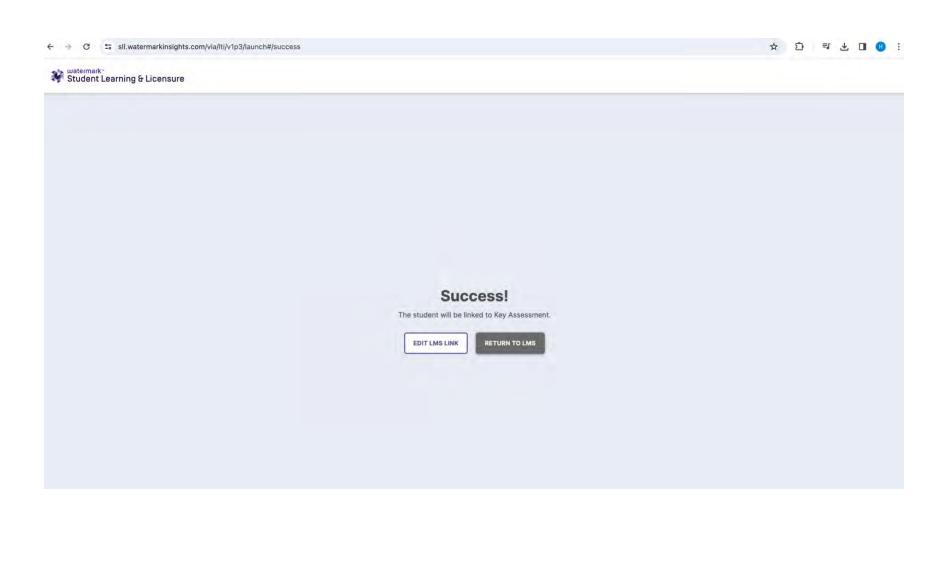

- Click on the previously added link.
- Select "specific activity."
- Choose your course.
- Select "key assessment."
- Finally, click on "select & save."

Below is an example, and the last picture demonstrates what you should see once you've successfully integrated the link.

Step 6

To ensure the successful integration, follow these steps:

- 1. Return to your D2L platform where you inserted the link.
- 2. Click on the link you added.
- 3. It should redirect you directly to the Watermark platform, displaying your list of students. Here is an example of what mine looks like:
