Introduction

The Martha Dickerson Eriksson College of Education at Austin Peay State University prepares candidates to teach PreK through high school.

The Department of Teaching and Learning, housed in the Martha Dickerson Eriksson College of Education, offers a variety of degree programs at both the undergraduate and graduate level. As a you seek a degree in Elementary Education, Grades K-5, you will have the opportunity to interact in classes with peers who are pursuing similar licenses and with instructors who have had extensive classroom teaching experience.

Mission

The Department of Teaching and Learning in the Martha Dickerson Eriksson College of Education, is composed of creative and innovative faculty who are committed to preparing quality teacher candidates who address the needs of local and regional school districts. We promote a diverse student-centered progressive curriculum that serves the academic and rigorous demands of the education profession.

Nondiscrimination Policy

“APSU shall not engage in practices which would discriminate against any individual or group because of race, color, religion, ethnic or national origin, sex, sexual orientation, gender identity/expression, disability, age (as applicable), status as a covered veteran, or genetic information. The University specifically finds that diversity of students, faculty, administrators and staff is a crucial element of the educational process and reaffirms its commitment to enhancing education through affirmative action to increase diversity at all levels.”

Conceptual Framework

Consistent with the institutional vision and mission and with our heritage as an institution with a major commitment to quality teacher preparation, the vision of the teacher education unit at Austin Peay State University is to prepare highly qualified professionals who are knowledgeable and skilled in standards-based practice. Our goal is to prepare competent, reflective, and caring educators who, while working in collaboration with other professionals, will serve as change agents to foster development and learning in the lives of all learners. Our theme, “Preparing Professionals Through Standards-Based Practices” reflects our vision, mission, and goals, and supports reflective, data-informed planning for continuous improvement. Specifically, these elements address:

Knowledge: Enables professional educators to use their general and subject area knowledge to enable students to learn and communicate effectively with others. Also enables the use of technological knowledge and collaborative techniques to foster active inquiry, problem solving, and performance skills among learners.

Skill: Enables professional educators to use techniques and strategies to create learning environments that foster student intellectual, social, and personal development, use technology and collaborative learning strategies to foster active inquiry, problem solving, and performance skills among learners, and use reflection and outcome assessments to improve learning experiences.

Disposition: Enables professional educators to create a climate of openness, inquiry, and support by using strategies that develop an atmosphere of acceptance and appreciation for diverse individuals and groups in the larger community. Allows for practice of behaviors that meet ethical and professional standards while striving for continual personal improvement.
Candidates of the Martha Dickerson Eriksson College of Education follow a specific degree program, which addresses the Interstate Teacher Assessment and Support Consortium (InTASC) Model Core Teaching Standards. InTASC is a consortium of state education agencies and national educational organizations dedicated to the reform of the preparation, licensing, and on-going professional development of teachers.  

**Standard #1: Learner Development**
The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

**Standard #2: Learning Differences**
The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

**Standard #3: Learning Environments**
The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

**Standard #4: Content Knowledge**
The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content.

**Standard #5: Application of Content**
The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.
Standard #6: Assessment
The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher’s and learner’s decision making.

Standard #7: Planning for Instruction
The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

Standard #8: Instructional Strategies
The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

Standard #9: Professional Learning and Ethical Practice
The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

Standard #10: Leadership and Collaboration
The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

Professional Commitments and Dispositions
Candidates in initial licensure programs at Austin Peay State University are expected to demonstrate the following positive professional dispositions. These dispositions are evaluated by university professors and classroom teachers during field experiences. Failure to do meet the dispositions may result in dismissal from the teacher education program.
1. Demonstrates a positive attitude about working with diverse students, peers, professionals, and in diverse environments.

2. Attends classes and field experiences consistently and punctually (including not arriving late or leaving early).

3. Demonstrates honesty and integrity.

4. Communicates effectively, both orally and in writing.

5. Demonstrates positive interactions with peers, faculty and P-12 students and school personnel.

6. Demonstrates a commitment to P-12 students’ success and to maintenance of a positive learning environment.

7. Demonstrates self-respect and respect for others.

8. Accepts constructive criticism and is willing to modify one’s behavior.

9. Analyzes problems critically and attempts to resolve them.

10. Assumes personal responsibility for adhering to professional guidelines regarding academic conduct. Maintains the confidentiality of student information.

11. Assumes personal responsibility for adhering to established guidelines for the Teacher Education Program.

12. Maintains professional ethics, appearance, and demeanor in personal interactions and in oral and written communication.

The College of Education has a Professional Review Board for the purpose of reviewing professional dispositions of candidates who may have displayed unprofessional dispositions while in the program or in field placements. The Professional Review Board consists of faculty from the College of Education.
Accreditation

The Martha Dickerson Eriksson College of Education at Austin Peay State University has been accredited by the National Council for Accreditation of Teacher Education (NCATE) for over sixty years. Our last accreditation was in 2014; the next accreditation visit, now conducted by the Council for the Accreditation of Educator Preparation (CAEP), will take place in 2021. Accreditation is the seal of approval that verifies quality in educator preparation.

K-5 Program Description

The K-5 Interdisciplinary Studies Program of the Martha Dickerson Eriksson College of Education at Austin Peay State University is designed for candidates who are preparing to teach the elementary grades. For candidates seeking licensure, the program consists of a general education core, a major in Interdisciplinary Studies and a minor in Professional Education.

After completing these requirements, students are placed in a block of courses known as Pre-Residency during the second semester of their junior year. Candidates will be in an area school for 12 weeks providing writing instruction to a small group of elementary students. Additionally, each candidate will tutor one child in reading.

During the first semester of their senior year, candidates are placed in a block of courses known as Residency I. During this semester candidates will be in their student teaching placement for three weeks where they will teach a minimum of five lessons.

Clinical experiences then culminate with a semester of student teaching. Candidates will return to their Residency 1 placement for 13 weeks. For part of this period candidates will be teaching full time.

During the remaining 2 weeks of the semester the teacher candidate will be assigned by the principal or his/her designee various classrooms to observe and will complete an observation assignment graded by the University Supervisor.
Total number of credit hours to complete the program is 124. The four-year program includes a Liberal Arts Core consisting of 42 credit hours, an interdisciplinary Studies Major with 44 credit hours, and a Professional Education Minor with 38 credit hours (See Appendix A for the Interdisciplinary Studies Major K-5 Licensure Program sheet).

Purchase of LiveText software is required. This can be obtained at the bookstore or at [www.livetext.com](http://www.livetext.com).

**Advising**

After declaring a K-5 major, you will be assigned an advisor who is knowledgeable about the program. You will meet with your advisor prior to the beginning of each semester in order to determine your progress and courses to take in order to continue your four-year program. Near the end of each semester you will be entitled to priority advising and can enroll in classes at the earliest possible date based on completed hours. Additionally, the Department of Teaching and Learning will have a full day of open advising each semester with food and prizes. You will be notified of the dates. Your advisor will be available to assist you throughout your program.

**Criteria for Admission**

**Praxis Core Requirement**

Praxis Core measures candidate proficiency in the basic skills of reading, writing, and mathematics. Praxis Core is required for all applicants who do not have an ACT composite of 22 or higher or a total SAT score of 1080 (math and verbal combined).

The Praxis Core tests are designed to be taken early in your college career. It is recommended all three tests be taken during your freshmen year or in the first semester of your sophomore year. All candidates must achieve an acceptable score (specified below) prior to meeting Milestone II (see Milestone Assessment below). If you have any questions about the Praxis Core, please see your academic advisor or program chair.
Acceptable Praxis Core passing scores (subject to change) are:

**Reading** = 156  
**Writing** = 162  
**Mathematics** = 150

*An appeal process is available. See Appendix B.*

---

**Milestone Assessment and Licensure**

Advancement in the program requires achieving a series of milestones (See Appendices for Milestone Review Criteria Checklist).

**Milestone I - Candidacy Status**

Candidates must complete Educ 2100 with a “C” or better and have completed a minimum of 12 hours of undergraduate credit. A minimum GPA of 2.5 is required for this status. Candidates will have completed a security clearance conducted by the Tennessee Bureau of Investigation (TBI) or the Federal Bureau of Investigation (FBI). Milestone I also requires evidence of professional dispositions which will be evaluated by the instructor in Educ 2100. Once this milestone is achieved, candidates will be eligible to enroll in additional courses in the Professional Education Minor.

**Milestone II - Provisional Status**

Milestone II allows candidates to continue their progress toward a teaching degree on a provisional status which requires a minimum of 45 hours, GPA of 2.75 or above, and a minimum of “C” in Professional Minor courses. Additionally, candidates must have an ACT score of 22 or greater or a SAT score of 1020 or greater. If scores are lower, candidates must take the Praxis 1 tests and meet these cut scores before continuing with the Pre-Residency Block of courses:

**Reading** 156  
**Writing** 162  
**Math** 150

Candidates will continue to be evaluated on professional dispositions by the instructor in Educ 3070, clinical teachers during field observations, and incident reports.
Milestone III - Clinical Status

Attainment of this milestone requires completion of all courses in the K-5 program, a GPA of 2.75 or better, and successful mastery of the InTasc Standards 1 through 10. The following Praxis exams must be completed with the minimum test score indicated prior to student teaching (See Appendix for a complete list of Praxis scores):

<table>
<thead>
<tr>
<th>Endorsement Area</th>
<th>Test Code</th>
<th>Test Title</th>
<th>Passing Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>Elementary Education</td>
<td>5017</td>
<td>Elementary Educ.: Curriculum, Instruction and Assessment</td>
<td>153</td>
</tr>
<tr>
<td>Grades K-5</td>
<td>5018</td>
<td>Elementary Educ.: Content Knowledge</td>
<td>163</td>
</tr>
<tr>
<td></td>
<td>5203</td>
<td>Teaching Reading: Elementary Education</td>
<td>162</td>
</tr>
</tbody>
</table>

Candidates must continue to maintain a minimum grade of “C” in all professional education courses, as well as continued evidence of professional dispositions. At this milestone, dispositions will be evaluated by the instructor in Educ 4080, clinical teachers in the field, incident reports, and a review of the university disciplinary record. Once Milestone III has been approved, candidates will be eligible to begin their clinical placements which consist of 15 weeks of student teaching in two placements. Taking additional courses during student teaching is not allowed.

Milestone IV - Induction Status

Milestone IV is the culmination of the K-5 Program where candidates are approved for licensure based on successful completion of course requirements and the Teaching Performance Assessment (TPA). Continued evidence of professional dispositions is a part of this milestone based on evaluations submitted by the university supervisor and the clinical teacher. Praxis II licensure exams have been passed and candidates have successfully completed clinical placements and seminars.

Once candidates have met the requirements for Milestone IV, they are required to complete and submit the Application for Licensure. This is
usually completed during the Student Teaching Mid-Term Seminar. In addition, a complete set of official transcripts must be submitted to the Austin Peay State University Licensure Office, located in the Claxton Building, Room 288. Meeting Tennessee licensure requirements and submitting the application for the Tennessee license are required.

Questions Regarding Licensure

When will I receive my Tennessee Teaching License?
You must complete all the necessary coursework, Praxis II Exams, Clinical Teaching and edTPA to obtain a Tennessee Teaching License. Once your degree is posted to your transcript, the Certification Officer will apply for your teaching license with the State of Tennessee.

Do I fill out paperwork to apply for my License?
Yes. The Certification Officer will work with you during your last semester (Clinical Teaching Semester) to complete all the necessary paperwork to apply for your license.

Is there a fee to obtain my license?
Currently, the State of Tennessee does not charge a fee to process your license.

Will my license transfer to another state?
Yes. Most states require a form to be filled out by the university to verify your training to be a teacher. In some cases, another state may require you to take an additional test or coursework that is specific to that state to complete your license. It is your responsibility to determine what will be required of you in a different state. APSU only prepares you to teach in Tennessee.

Does the education program at APSU prepare me for a Kentucky Teaching License?
No. APSU will only prepare you to teach in Tennessee, however, you may transfer your Tennessee Teaching license to Kentucky. Once again, it is your responsibility to determine what will be required of you in a different state.
How long is my license valid?
Initially, your Practitioners license will be valid for three years. It can be renewed once for an additional three years, or advanced to a Professional License. The Professional License is valid for six years, and can be renewed infinitely during your teaching career.

What if my teaching license expires?
If your license expires, you will have to retake all of your Praxis II Exams. Don’t let your license expire!

Field Experience Placement Overview

Candidates completing the K-5 Licensure Program have many opportunities to be in area schools to observe, teach, and reflect. The earliest field experiences begin in Education 2100 and continue in various courses culminating in a semester of student teaching. Candidates have opportunities to teach individuals and small groups of students.

In order to participate in field experiences, a background check and fingerprinting will occur in Education 2100. (See Appendix C)

Academic Support.

• Peer Tutoring: Free group support for undergraduate courses for APSU students. Tutoring is available for most core courses and some upper-division courses. To schedule sessions with a peer tutor, please stop by MX 124 or call (931) 221-6550.

• Writing Center: Free individual assistance with any paper, for any class, in any writing style, for APSU students. To schedule sessions with a writing tutor, please stop by the Writing Center (in the Library) or call (931) 221-6550.

• Workshops: GMAT Prep., GRE Prep., TEAS Prep., PRAXIS Core Prep., and more are available.

• Martin Golson, Director, 931 221 6553
  http://www.apsu.edu/asc/about/index.php
Rules and Responsibilities for All Candidates

Absences: Attendance and full participation in K-5 Program classes and field experiences is expected, and is required for licensure. Time within any semester is very limited for making up missed hours; repeated absences from classes and field experiences will jeopardize a candidate’s K-5 Program completion and licensure.

Confidentiality: Candidates in the field shall not discuss students outside of school. If a candidate uses classroom-related material in a University course, the students’ names must be removed to protect their privacy.

Social Media Statement: Professional conduct demonstrated by the appropriate use of social media by students is expected in the K-5 program of study. Candidates are expected to model high standards such as confidentiality, fairness, honesty, and professional integrity. Any inappropriate photos, comments, memberships, or posted sites on social media could have a negative impact on the candidate’s reputation. Students should make all social media accounts private during the time they represent the university in the field. Postings on social media sites such as Facebook, Twitter, and Instagram considered inappropriate or unprofessional by the College of Education or public school placement site may lead to disciplinary actions. Unprofessional activity, including sharing confidential information or negatively commenting about the mentor teacher, students, or placement site using social media, may result in disciplinary actions.

Internet Acceptable Use Policy: Students will adhere to the Internet Acceptable Use Policy of their placement school site. The schools will require student teachers to read and sign an agreement to the school’s policy before internet access is granted. Inappropriate use of the internet in the classroom will expose the school to risks as well as adversely impacting the students. Violation of a school’s internet policy may lead to disciplinary actions.

Legal Considerations

Problems and Conflicts: If a candidate encounters a conflict in his/her field experience, it is the candidate’s responsibility to discuss the matter first with the supervising teacher in the field. If, after notifying the
supervising teacher of the problem, the conflict cannot be resolved, the candidate should contact the University supervisor.

**Liability Insurance:** Prior to any field experience candidates need to purchase liability insurance through the Student Teacher Education Association (STEA) or the Professional Educator Association
https://ims.nea.org/HowToJoin/stateStudent.do?sea=tn&mbrType=STUDENT

http://www.proedtn.org/?LiabilityCoverage

**Special Programs and Opportunities**

**Student Tennessee Education Association (STEA):** The Student Tennessee Education Association offers students the opportunity to participate in a professional association for pre-service teachers affiliated with the National Education Association Student Program (NEA-SP). STEA is part of the 50,000 member Tennessee Education Association (TEA) and the 3.2 million member NEA. Student members are assisted in making a smooth transition from the campus environment to the classroom environment. https://www.apsu.edu/education/currentstudents/stea.php

**Kappa Delta Pi (KDP):** Established to foster excellence in education and promote fellowship among those dedicated to teaching as well as to sustain an honored community of diverse educators by promoting excellence and advancing scholarship, leadership and service, the name is derived from Greek words representing “knowledge, duty, and power”. Kappa Delta Pi is nationally comprised of 582 chapters and more than 45,000 members. Undergraduate students must have a GPA of 3.0, have completed 30 credit hours, and have at least 12 credit hours of professional education courses (in process, or completed). Kdp.org

**The Honors Program at Austin Peay State University:** The Honors Program is designed to challenge students and provide opportunities for creative exploration and intellectual development. The program requires motivated students to fulfill 30 Honors credit hours, both in the general education core and in upper-division courses in their majors. Education courses may be adapted to fit the criteria for an honors course. http://www.apsu.edu/honors/honors-opportunities.php
Dual Enrollment: If you have completed your sophomore year in high school and meet other program requirements, you can start now and earn college credits through dual enrollment at Austin Peay.  
http://www.apsu.edu/govnow/

Office of Student Research and Innovation (OSRI): The OSRI supports the incorporation of research training in the areas of Business, Education, Humanities, Social Sciences, and STEM into the APSU experience as a means to engage, retain, and promote students and their success. Undergraduate research is an opportunity available to our K-5 majors.  
http://www.apsu.edu/osri/

Study Abroad: The mission of Austin Peay State University's Office of Study Abroad and International Exchange is to support and engage all students with diverse global opportunities. Students will have experiences that will allow them to gain knowledge of the world and grow both academically and personally. These experiences will prepare students to compete in today's globalizing world.  
http://www.apsu.edu/study-abroad-exchange/study-abroad/

Service Learning: Academic service learning is experiential learning where students integrate community service with the structured learning in the classroom to enrich their learning. In addition, service learning helps students develop critical reflection, deepens understanding of the causes of social problems, and enhances their skills in working collaboratively.  
http://www.apsu.edu/volunteer/service-learning/

Scholarships: Several scholarships are available to education majors at Austin Peay State University. (See Appendix D.)

Appendix C

Appeal Process for Teacher Education

Students who have not met the requirements for advancing through Milestones I, II, or III, have the option of appealing for a waiver of the requirement and temporary admission to the program.

To begin the appeal process, each student must submit a letter of explanation, a current transcript, a copy of required test scores (Praxis I or Praxis II), a completed Appeals Application Form, and two letters of support from faculty. In order for an appeal to be considered, it must be turned in at least one week before the first day of classes of any given semester. The completed form, transcript, and letters of support should be turned in to the Office of Teacher Licensing in Claxton 228 by the deadline.

http://www.apsu.edu/education/appeals.php

GPA Appeal Process
Students with a GPA below the minimum (2.5 Milestone I; 2.75 Milestones II and III) may appeal to advance in their program by submitting an advisor-approved plan for increasing their GPA to the required level.

PRAXIS I (CASE) Appeal Process
Students who have not achieved a passing score on one out of three subtests of the PRAXIS I (CASE) after taking it twice, may appeal for an exception to this provisional admission requirement if all of the following conditions are met:

1. The student must meet the minimum cut-off scores for two of the three subtests.
2. The appealed PRAXIS I (CASE) subtest score cannot vary more than 5 points below the acceptable minimum score, and the student must meet the following criteria:
   The student must have a GPA of 2.75; and
   The student must have at least a “B” average in English 1010 and 1020 if appealing the Reading and Writing test; and
   The student must have at least a “B” average in all required mathematics courses if appealing the Mathematics test; and
   All of the above courses must have been taken at an accredited college.
Praxis II Appeal Process
All students who meet Milestone III requirements with the exception of passing scores on one required Praxis II exam, may begin the appeal process by submitting a current transcript, a copy of all Praxis II scores required for certification, a completed Appeals Application Form, and two letters of support from faculty.

All decisions regarding appeals will be made by the Appeals Committee of the College of Education. The student will be notified in writing of the committee’s decision.
Appendix D

Background Checks and Fingerprinting

The State of Tennessee requires a criminal history check for each student wishing to enter a teacher education program. The fingerprinting must be completed and your criminal background report must be on file in the Office of Teacher Licensure before you may enter a K-12 school. Please follow the steps below:

- Complete the fingerprint release form.
- Register online at https://www.indentogo.com
- Search by state then follow the online directions.
- Our agency name is: Non-DCS Child Care/Adoption Providers
- Applicant type: Child-Related Worker Volunteer (Private)
- ORI number: TNCC63013
- Enter zip code 37044 for Austin Peay, or choose a zip code closer to you.
- Select your location, date, and time for your appointment.
- Enter the applicant information.
- You must prepay for your fingerprint service online with credit card or eCheck, or bring a money order or cashier’s check with you to the appointment. You cannot pay by credit or debit card on site. The cost is $32.65.
- Arrive 15 minutes early, bring your registration ID, a valid form of identification (state issued driver’s license), and payment if not paid online.
