

Process for Monitoring Standards Completion for All Students

Course Key Assessments and Dispositions		
Date	Step	✓
During Residency I	Certification analyst sends list of students completing Milestone III to LiveText Coordinator; LiveText Coordinator notifies Director of Teacher Education of any deficiencies in standards completion	
At the beginning of the semester preceding graduation	Graduate coordinator(s) send a list of prospective graduates to LiveText Coordinator; LiveText Coordinator notifies graduate coordinator(s) of any deficiencies in standards completion	
	Director of Teacher Education/graduate coordinator(s) devise remediation/support plan for students* with deficiencies in standards completion	

*transfer students may appear to have deficiencies in standards completion due to transfer of course credits
