IV. Curriculum

a. Elementary Education & Early Childhood Education

Remove Math 1530 from the program and add Math 1550. This course has been designed specifically for teachers. It will not count for the core, so it will be part of the major and will move Math 1420 to the core. Barbara Peterson made the motion to accept the proposal. Jackie Vogel seconded the motion and the motion carried..

b. History Education Program Revision

Remove HIST 4410, add HIST 2999, 4840 and two upper division courses added to the choices in the concentrations: GEOG 4200 in Geography and POLS 3190 in Political Science. These changes are necessary to combine methods courses to align with the common core.

The motion was made by Timothy Wesley to accept the proposal as a whole. Linda Davis seconded the motion and the motion carried.
