

Eriksson Scholars for Juniors & Seniors SCHOLARSHIP APPLICATION FORM FOR FALL 2021

FIRST ROUND DUE DATE: APRIL 15, 2021
SECOND ROUND DUE DATE (PENDING AVAILABLE FUNDS): JUNE 15, 2021
LATE APPLICATIONS ACCEPTED PENDING AVAILABLE FUNDING

If selected as an Eriksson Scholar, you will be expected to register for courses in a degree program designed to prepare you as a middle school or high school STEM teacher while maintaining the GPA requirement. In addition and following graduation, for each semester of funding, you are committing to teaching at the middle school or high school level for an academic year.

Minimum Qualifications:

1. Currently admitted to APSU with at least 60 semester credit hours earned.
2. Cumulative GPA of at least 3.2
3. Declared undergraduate degree program that leads to licensure to teach in a STEM field at the middle or high school level.

Application Materials:

1. Completed Eriksson Scholars for Juniors & Seniors Scholarship Application Form.
2. Current Resume/Vitae.
3. Statement of Impact, 500 words or less, in which you address how this opportunity will impact you personally, financially, and professionally.

Note: A reference letter is NOT required. Simply indicate your reference contact information on the application.
