GRADUATE FACULTY STATUS APPLICATION

*Please attach a current or truncated CV with this form

By completing this form, the APSU faculty member is seeking Graduate Faculty Status. To be recognized as graduate faculty, the APSU faculty member must have earned a terminal degree¹ in the teaching discipline or a discipline related to the graduate degree program to which they are assigned to teach and must have met or exceeded departmental scholarly activity criteria. It is the responsibility of each graduate faculty member to support graduate student learning, thesis/field studies/dissertation work, and/or mentorship to the highest standards appropriate to the discipline. All approved faculty must reapply for graduate faculty status every five years.

¹Exceptions to the APSU Graduate Faculty Status Criteria may occur if the faculty member has professional experiences in the field relevant to the assigned graduate course or program. All exceptions must be approved by the Dean of the College of Graduate Studies, APSU's SACSCOC Accreditation Liaison, and the Provost and Vice President for Academic Affairs using the Exception for Faculty Credentials Form.
