The Fall 2023 Faculty Conference and Annual Meeting full schedule is now available! Our return to campus kicks off on Monday, August 14th with the annual **All Faculty Meeting** immediately followed by **Dr. Kevin Gannon's Keynote Address**.

All faculty are then invited to the Academic Affairs luncheon and a Q & A session presented by CAFE with Dr. Gannon. The conference continues with **three days full of presentations, panels, and roundtable sessions** featuring hot topics and teaching innovations. These sessions also include three days of the **Research and Creative Activity Showcase**, highlighting the scholarly and creative work of our

faculty. All sessions from Tuesday to Thursday are delivered and facilitated by APSU faculty and staff and are all centered on our theme: "**Cultivating a Culture of Shared Success**." The annual meeting aspect begins on Friday, August 18th, with the **General Education updates** meeting. It continues into the next week with Convocation and the University Picnic on Monday, August 21st. The **Key Updates meetings** on August 22nd conclude the main sessions of the conference, leaving a few days of open work and meeting time.
