Importance: High

Dear MHA candidate,

Congratulations, you have been selected for in the Fall 20223 Master of Healthcare Administration cohort program at Austin Peay State University. I have attached the Program for your review.

A couple of important items:

I will be your advisor and look forward to speaking with you, but you do not need to try to register for any class at this time, while the paperwork is being completed. I will let you know when, but I have attached the class schedule for your information.

This may be up to two week.

Also, several of you have multiple emails and for the vast majority of our correspondence, we will be using your APSU email address. If you do not have one yet, please let me know if one has been sent to you.

And confirm you understand, I will be using your APSU email as the primary method of communication.

***Regarding your email, if you have one on this email that is not APSU and you do not have to use daily, PLEASE INFORM ME, as it will be difficult to keep track of this going forward. I always have your phone number, if needed and you will have mine/
The extra emails, I need to delete as soon as possible.***

Please reply to this email that you received, correct your email address, and confirm you will be joining our Fall MHA class!

We are looking forward to having you join us in the program! Feel free to call me at 615-938-0220 if you have any questions.

A BIG CONGRATULATIONS AGAIN!

**Fyi: If someone you know is not on this email, it does not mean they were not accepted.
We have another round of interviews and or delayed decisions we have to work thru.**
