

EXIT SURVEY -Student 3

1. What did you like best about the program?
I loved the leadership track/ Also love interactive, but sometimes the only one active in groups
2. What item(s) could be improved?
Data Analytics was poor/ adjunct
Not a lot/ program director is challenged to complete all tasks that are assigned and still communicate with students regularly.
Reach the students that get them to apply what they learned....
3. Favorite Courses/or most applicable to you
Heard quality management was great
Conflict management
Dr. Moore had a lot to read but was great in helping
4. What items could we add/delete in curriculum?
Maybe combine leadership ...
5050 was a basic summary of classes
Combine leadership skills
5. What could we do to promote the program better?
Concentrate on UG healthcare classes,
Healthcare facilities
State employees get one paid for each semester!
Reach out
6. How was your relationship with all teachers?
Availability was very good
7. Video? Yes he would come
