II. Attendees:

Program Coordinator Dr. Blake Hendrickson

President Riley Walsh

Vice President Chairman Amy Heisserer-Rodriguez

Secretary and Parliamentarian Lauren Schmidt

All members of the intended quorum were present at the July monthly meeting.

III. Clearly denoted agenda items:

- a) Integrative Learning Experience (ILE) notes and individual encounters
- b) CAHME event in November 2023
- c) Conflict Management course with McGraw-Hill Learning

IV. Brief notes reflecting on the discussion:

President Riley Walsh moved that there needs to be greater communication between the ILE Site Directors and APSU instructors. The quorum unanimously seconded the motion. Vice President Amy Heisserer-Rodriguez mentioned that some healthcare facilities only want to have ILE students from an accredited collegiate program, and this limits healthcare facilities available in the area.

President Riley Walsh moved that there should be a list of where MHA students reside in relation to which healthcare sites are available in their area to conduct the ILE. The motion carried. Overall, the quorum agreed that the ILE was useful to their future careers and the MHA course pathway.

MHA Coordinator Dr. Blake Hendrickson opened the question of whether the council enjoyed their experience with a McGraw-Hill-based course, and if it is useful for future courses and cohorts. The quorum moved the motion of continuing usage of McGraw-Hill learning programs.

MHA Coordinator Dr. Blake Hendrickson motioned to condense one or two of the Leadership Development courses in the MHA course pathway. The quorum seconded the motion.

The CAHME event will take place on November 8-9, from lunch to the end of the day at APSU. A select number of students from the MHA cohort will be invited to attend, with the list TBD.

V. Actions taken:

MHA Coordinator Dr. Blake Hendrickson moved to open the position of a liaison to acquire updated contact information for the ILE site directors. President Riley Walsh seconded the motion and agreed to the position.

The July MHA Executive Cohort meeting adjourned at 12:52 PM on July 31, 2023.
