Reminder of the Clarksville MGMA offering free memberships to the MHA students. The meetings are held at the Steven Cohen Center in Clarksville, TN.

Elections of new committee chairs:

Secretary and Parliamentarian: Lauren Schmidt
President: Riley Walsh
Vice President: Amy Heisserer Rodriguez

Challenges to data analytics course still seem to arise. Dr. Hendrickson is planning on breaking down the course, possibly into 2 separate courses to ensure the correct amount of work and feedback is provided.

March 16, 2023, the CAHME accrediting team will be visiting APSU and Dr. Hendrickson would like students to attend if possible.

New members: what meetings consist of

- Analyzing courses and course structure, teaching methods, grading, struggles
- Typically meet once after each quarter and break down each class with what has worked, what hasn't, what we need help with, what we like/didn't like
- Consider how the courses and curriculum can be improved and the current success rate

The minutes are a crucial aspect of the meetings because they help with accreditation purposes. They should always be taken during the course of each meeting.

The graduation of the first MHA cohort was discussed as it is quickly approaching.

Secretary Lauren Schmidt moved to adjourn the meeting, and the motion was seconded by Dr. Hendrickson. The motion passed and Mr. Chairman Riley Walsh adjourned the meeting at 6:28 pm.
