Attendance:

Dr. Blake Hendrickson

Riley Walsh

Amy Heisserer-Rodriguez

Lauren Schimdt

All members of the intended quorum were present for the introductory committee chair meeting at 10 am on Sunday, January 22, 2023. The old meeting minutes were read and approved by the Chairman and quorum.

A list of group members for the Healthcare Quality, Outcomes, and Improvement course was assessed and needs to be officially published.

Chairman Riley Walsh offered aid to Dr. Hendrickson if there is any extra work that he could help with during the MHA program.

Dr. Hendrickson said that he would offer information about the MGMA Clarksville organization to the 2022-2023 cohort. MGMA Clarksville conducts meetings on the fourth Thursday of every month at lunch. There may be incentives offered to MHA students for attending meetings in the future.

The new concept Health and Human Performance building to be completed by 2024/2025 at APSU was discussed on how to be operational for future MHA cohort students. By comparison to the College of Business at APSU, there is a financial account and department that is fully operated by the graduate program students to offer immersive experience before graduation.

The CAHME accrediting team will no longer be visiting APSU on March 16, 2023. The meeting moved to a later date in Fall of 2023 with an official date TBD. MHA students are still encouraged to attend and share what they have learned, and to understand how the accreditation process occurs within their program.

Chairman Riley Walsh moved to create a 2022-2023 MHA cohort program informal meeting with all in attendance. This event will be used to ensure that all members concur about the course work, pace, and program overall. A healthy meal will also be served during this time. The date is TBD.

Secretary Lauren Schmidt moved to adjourn the meeting, and the motion was seconded by Vice President Chairman Amy Heisserer-Rodriguez. The motion passed and Mr. Chairman Riley Walsh adjourned the meeting at 10:53 am on Sunday, January 22, 2023.
