With Dr Hendrickson:

- Date for new meeting with new MHA executive committee: **11/15 @6pm**
- 2 volunteers to stay on MHA executive committee for the next 6 months to help plan and attend meetings with new cohort - meetings quarterly or as needed (**must be executive members**)
- 2 volunteers to join the MHA advisory council - meetings are once per quarter for an hour. First meeting is after site visit in March 2023.
- 2-3 volunteers for March 16th 2023 to attend on campus for when CAHME comes for site visit

Executive committee is feeling a bit burnt out from school work and at this time we are unsure if we are able to commit to any of these volunteer opportunities. Maybe this should be open up to the entire cohort since we have taken our time to be on the executive committee.
