The commission shall, no later than February 15 of each year, report to the chairs of the fiscal review committee, the education committee of the senate, and the education administration and planning committee of the house of representatives of any such notices filed in the previous year and the status of that application. (r)

(1) The commission shall require all state institutions of higher education to collaborate and develop a transfer pathway for at least the fifty (50) undergraduate majors for which the demand from students is the highest and in those fields of study for which the development of a transfer pathway is feasible based on the nature of the field of study.

The commission shall identify those institutions for which such dual admission is appropriate, based on geographic or programmatic considerations.
