Kelly,

Thank you for the opportunity to review the candidacy application. I can tell you have put a lot of effort into this! I've attached my feedback on the **strategic plan** and the candidacy application draft. Please let me know if you have any questions about my feedback. It appears that the implementation date of the program has changed from Fall 2021 to Fall 2022. I knew that was a possibility but didn't know it is definitely changed now (based on my reading of the application).

I support the **strategic plan**.

Here is the link to the APSU Policy 2:032 Program Accreditation that explains the documents you are responsible for providing to IEA (Jeana McCullough) and Academic Affairs (me).
