

{Fname},

This is a special invitation to apply now to Austin Peay State University. You will benefit from a waived application fee and an admission decision within a week of submitting your application documents.

We think *you* are a great fit for APSU. We think we have what you need to advance your career. You'll learn practical skills and gain the knowledge to lead innovatively and creatively in your profession.

We offer so much for your future as a leader:

- **In-demand graduate programs** including computer science, education, nursing, healthcare administration, counseling and more.
- **Certificates** in project management and healthcare administration.
- **Convenient scheduling** with full-time, part-time, evening, online and on-campus options.
- **Affordable graduate tuition rate**, numerous grants and assistantships.
