

## Advance your future.

{Fname},

Elevate your knowledge and skills with real-world learning you can immediately put into action. With degrees across multiple fields, small class sizes, and talented professors teaching you the skills you need to advance to the next level, APSU will make a huge difference for you. [Take a virtual tour](#) and see the opportunities that will take your career to the next level.

***“Austin Peay was the first time I experienced true camaraderie in an educational environment. I bonded with my classmates and professors and we still keep in touch to this day, working together to solve problems and help each other advance in our careers.”***

*— Cherilyn Padgett, Master of Science in Counseling - Mental Health Counseling*

When you graduate from Austin Peay State University, you'll hold a highly-regarded diploma and become part a large and supportive alumni network right here in Tennessee and around the world.

**Take the next step today to advance your career.**
