

## Honors Contract

### Contract Information

The Honors contract is an independent project or set of assignments designed to supplement course work in a section of a course that is not designated as Honors. The additional work must be agreed upon and signed by the student and the instructor before the semester begins. It must then be approved by the director of the Honors Program. If approved, the Honors Program director will communicate with the instructor to determine if the supplemental work has been completed in a satisfactory manner by the end of the semester. If it has, the student will receive Honors credit hours for the course.
