

OFFICE OF INSTITUTIONAL CULTURE INNOVATION AND STUDENT SUCCESS FUNDS

FUNDING IMPACT FORM

The purpose of the Innovation and Success Fund at Austin Peay State University is to provide monetary resources for specific events, lectures, and workshop opportunities focused on institutional culture. The goal is to encourage institutional culture awareness, innovation, and student success by promoting efforts of recruitment and retention for all faculty, staff, and students. It is also the hope that greater collaboration is established between the Office of Institutional Culture and registered student organizations and faculty and staff members.

After the funding has been used OIC asks that a submission of the impact form stating how the events ties to the campus-wide strategic plan is required. The funding is to be submitted to our office no later than 30 days after the event/lecture/conference or workshop to ensure additional opportunities for future funding.

Please fill out an submit form within 30 days after receiving funding.
