

Exchange students are required to submit specific documentation of yearly funds available to cover each semester of study at the University. THIS FORM MUST BE RETURNED AS SOON AS POSSIBLE TO BE CONSIDERED FOR ADMISSION. Form DS-2019, used for the issuance of a visa, cannot be issued to you until you have been admitted to the University and satisfactorily completed and returned this form. All questions must be answered in full. Omission of any answer may cause delay in or denial of admission to the University. This form is valid for ONE YEAR ONLY from date of signature. Unsigned forms will not be accepted.

Austin Peay State University's average cost is estimated in the following:

All fees are subject to change without notice. These fees are based on on-campus living; off-campus accommodations may be more expensive. When computing your expenses, remember that students holding a Exchange Visitor (J1) visa will not be authorized to work off campus. Therefore, applicants should not look to employment, either part time during the academic year or full time during the summer, as a significant means of support. You may need this documentation to prove to the United States Consular Operations that you have sufficient funds. We suggest, therefore, that you make copies of all documents for this purpose.
