

<b>APPLICATION FOR ADMISSION</b> Medical Laboratory Science Program Application Class beginning May 11, 2026		<b>DEPARTMENT OF ALLIED HEALTH SCIENCES</b> Austin Peay State University Campus P.O. Box 4668 Clarksville, TN 37044			
Date of Application		Student A#			
Last Name:		First Name:		Maiden/Other:	
Address		Phone			
E-mail		Birth Date			
Place of birth		Citizen of			
In case of emergency, notify:					
Permanent Mailing Address:					
<b>References</b> Please list two science professors and a third professional reference. Each should write a letter of recommendation.					
Name		Title		Phone & e-mail	
1.					
2.					
3.					
<b>Educational Background</b>					
Name of School(s)	Location	Years attended	Major	Date Graduated	Degree
High School				Note: HS Transcript not needed	HS Degree Not needed
University/College					
University/College					
University/College					
<b>* Official transcripts must be sent to both the Program office and APSU registrar separately. *</b>					
If you have worked in Health Care before, what did you do and for how long?					

**I understand the Medical Laboratory Science Program Director may request information from my disciplinary record at Austin Peay State University, or another institution I have attended, to be used in consideration of my admission to or continued enrollment in this academic program. I hereby grant permission for the release of the disciplinary record information to the Medical Laboratory Science Program Office for these purposes as indicated by my signature below.**

Printed name of applicant:	
Signature of Applicant:	Date:

Please return the completed packet to the Program Office, SSC D232 or Mail to:

***Medical Laboratory Science Admissions Committee  
Department of Allied Health Sciences

**Personal Essay**

Medical Laboratory Science Program

Austin Peay State University

*Write an essay indicating why you want to become a Medical Laboratory Scientist. If additional space is needed, use a plain sheet of white paper. The total length should not exceed two pages. If you have a word processor, please duplicate the header above and submit your essay typed.*

**MEDICAL LABORATORY SCIENCE PROGRAM**  
**DEPARTMENT OF ALLIED HEALTH SCIENCES, AUSTIN PEAY STATE UNIVERSITY**

**TECHNICAL STANDARDS ACKNOWLEDGMENT FORM**

**Instructions:** Please read the list of MLS Program Technical Standards below. Students applying to the MLS Program must state that, as far as they are aware of, they are able to satisfy the expectations defined in these Technical Standards, as a part of the application process for entry into the MLS Program.

**Technical Standards**

**An individual intending to enter the APSU Medical Laboratory Science Program for degree/certification, subsequently to enter the profession of Medical Laboratory Science, must have certain minimal technical skills and essential functions. The APSU MLS Program expectations include:**

- 1. Sufficient visual acuity to read small font text; to read text presented on a video or computer monitor; to recognize and identify instrument communication lights and/or readouts; to distinguish cells under high power light microscopy by means of color differences, morphology, granulation patterns, etc.; to recognize differences in morphology for bacterial colonies growing on solid media; to identify color, clarity, and viscosity of body fluids, etc.**
- 2. Sufficient proficiency in the English language to read and comprehend complex scientific literature, to write technical papers and reports, to communicate effectively orally with other English speakers. International students must comply with APSU requirements regarding the TOEFL exam (or equivalent measures). See APSU University Bulletin.**
- 3. Sufficient hand-eye coordination and manual dexterity to operate complex mechanical and electronic instruments (e.g., compound microscope, spectrophotometer, centrifuge, electronic balance, computer terminal, semi-automated pipette device, etc.); and perform complex manual techniques (e.g., drawing blood, plating bacterial cultures, manipulating microscope slides, test tubes, etc.).**
- 4. Sufficient sound judgment and coping skills to perform effectively and function independently in stressful academic and clinical laboratory environments.**
- 5. Sufficient emotional health and psychological/social adjustment to cooperate effectively in group activities and assignments and to perform in an ethical manner with professional colleagues and patients.**
- 6. Sufficient confidence and maturity, upon training, to draw blood from fellow students, faculty, and/or patients as well as to handle properly, using universal safety precautions, blood and other body fluids as a part of performing clinical laboratory analyses in a student or clinical laboratory environment.**
- 7. Sufficiently good health to be able to regularly attend all scheduled class and laboratory sessions. I understand that excessive absences, excused or not, may affect my place in the class and grades in all courses I will be taking. Absences in clinical courses will be made up based on availability and time in the clinical sites.**
- 8. Background and fingerprint checks will not disclose anything which will prevent attending clinical rotations in an accredited hospital or laboratory facility.**

**I have read the list of Technical Standards and certify that, to the best of my knowledge, I meet or exceed these expectations of the APSU Medical Laboratory Science Program.**

**Applicant Name (Printed):** \_\_\_\_\_

**Applicant Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**STUDENT CHECK SHEET**  
**for APPLICATION to**  
**APSU's MEDICAL LABORATORY SCIENCE PROGRAM (Keep**  
**for your personal use as you prepare your application.)**

Items	Check (✓) if Completed
1. Application (4 pages)	
2. Please pay the \$25.00 application fee at the link below: <a href="https://epay.apsu.edu/C20023_ustores/web/store_main.jsp?STOREID=68">https://epay.apsu.edu/C20023_ustores/web/store_main.jsp?STOREID=68</a>	
3. Personal Essay	
4. Technical Standards	
5. Official Transcripts from each institution you have attended	
6. Letters of Reference 1 <sup>st</sup> Academic:  Name_____	
2 <sup>nd</sup> Academic:  Name_____	
3 <sup>rd</sup> Professional:  Name_____	
7. Core and MLS Major Requirements	Keep for your personal use
8. Check Sheet (Complete This Form to Assist You in Completing Your Application Packet)	Keep for your personal use
After you are accepted, before you begin clinical rotations, the following are required:	
Criminal Background check	
Professional liability insurance	
Proof of Medical Insurance - Required for Senior Year	
Medical Records (physician' s exam) - (2 pages)	
Immunization Records Complete (T): MMR _____ Tetanus____ TB _____	
Hep#1 ____ Hep#2 ____ Hep#3 ____ and Hep titer __ Varicella titer____	
[Note: Submitted after acceptance, however, remember you <i>must complete your immunizations</i> and other medical records before you may attend any of the clinical experiences.]
