

APSU Honor Festival YouTube Video Upload Process

Step 1: Open YouTube and click on the “Create a Video or Post” button.

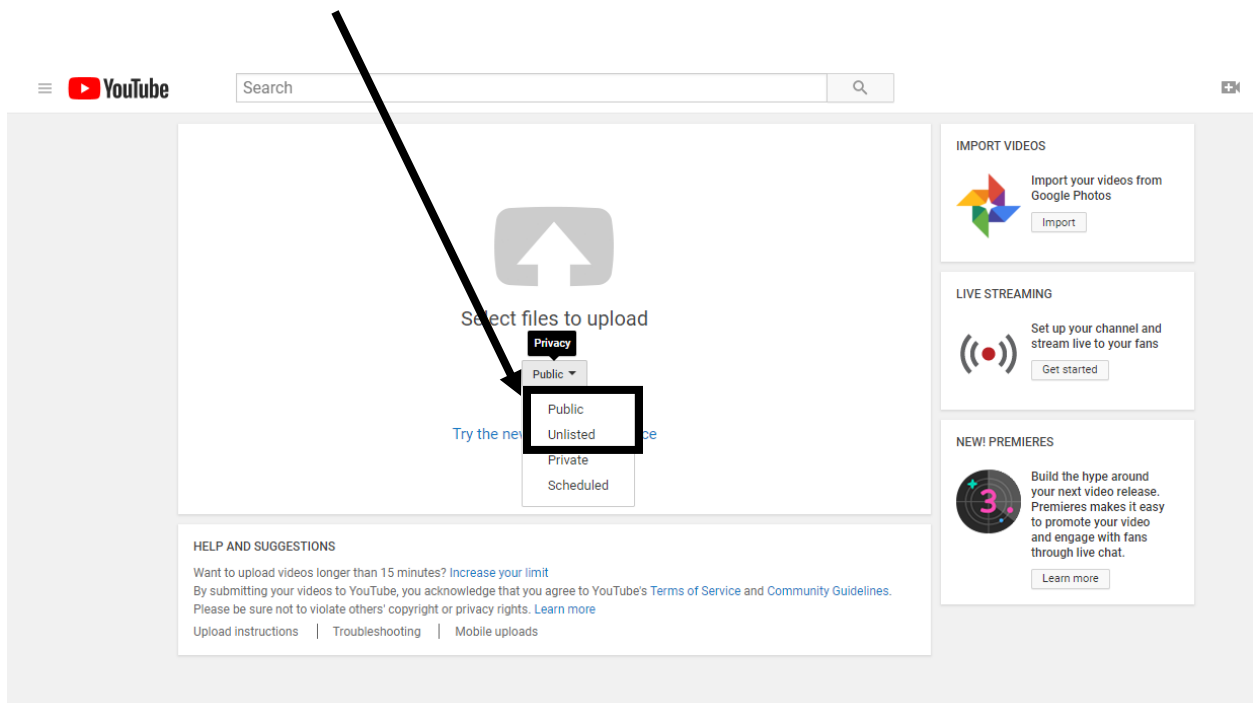

Step 2: Select “Upload Video.”

Note: you may first need to create or sign in to a YouTube or Google account before you can begin uploading videos.

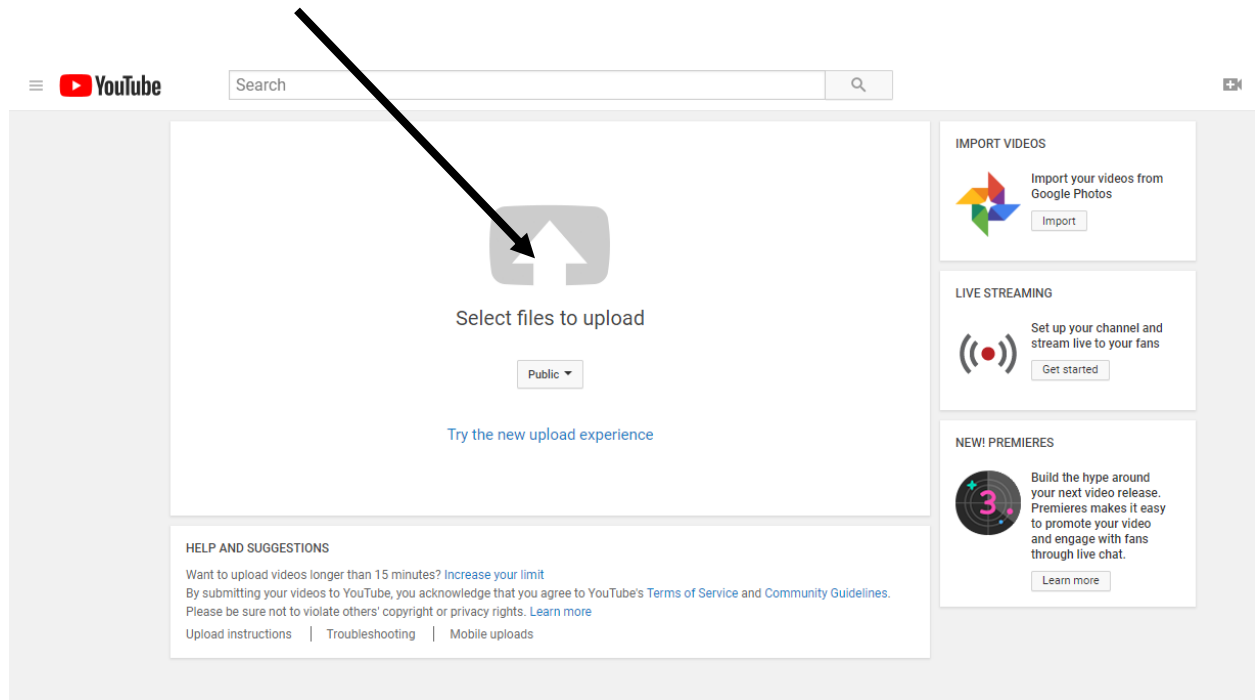

Step 3: Change the privacy setting on your video to either “Public” or “Unlisted.” DO NOT SET YOUR VIDEO TO “PRIVATE!”

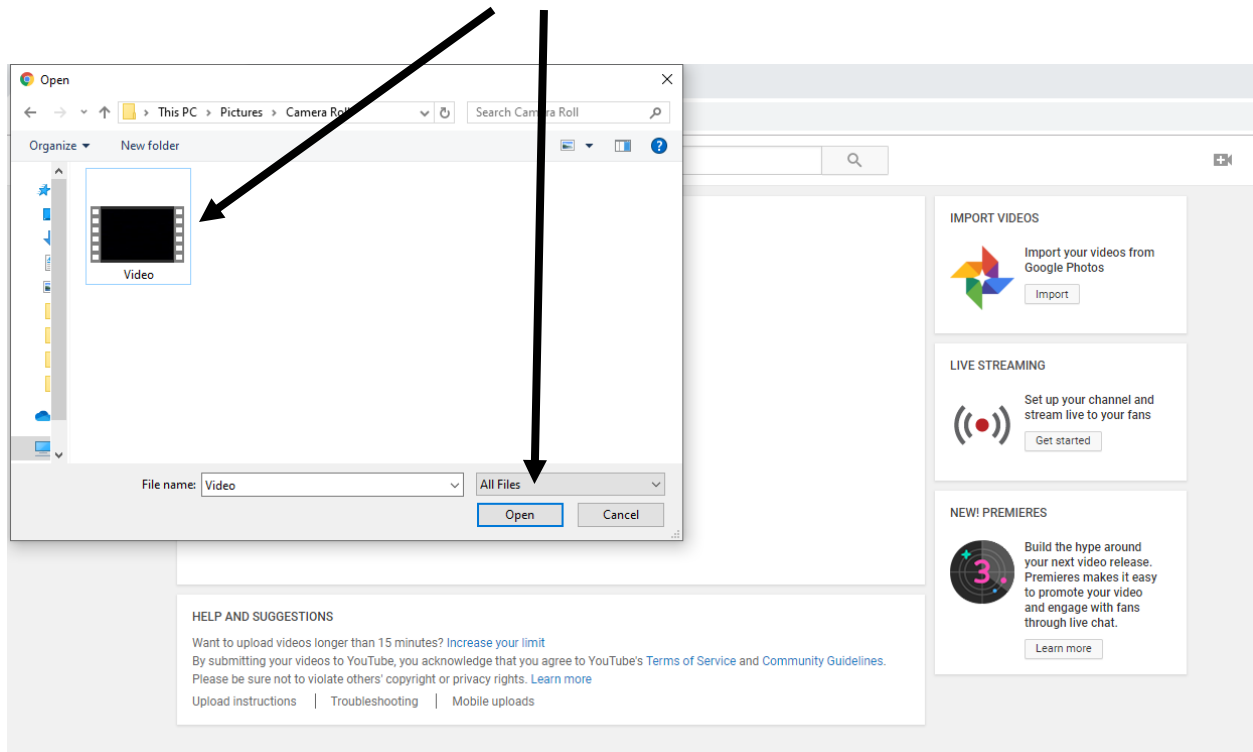

Note: “Public” videos are available to anyone who searches YouTube. “Unlisted” videos are only available to individuals who have the link.

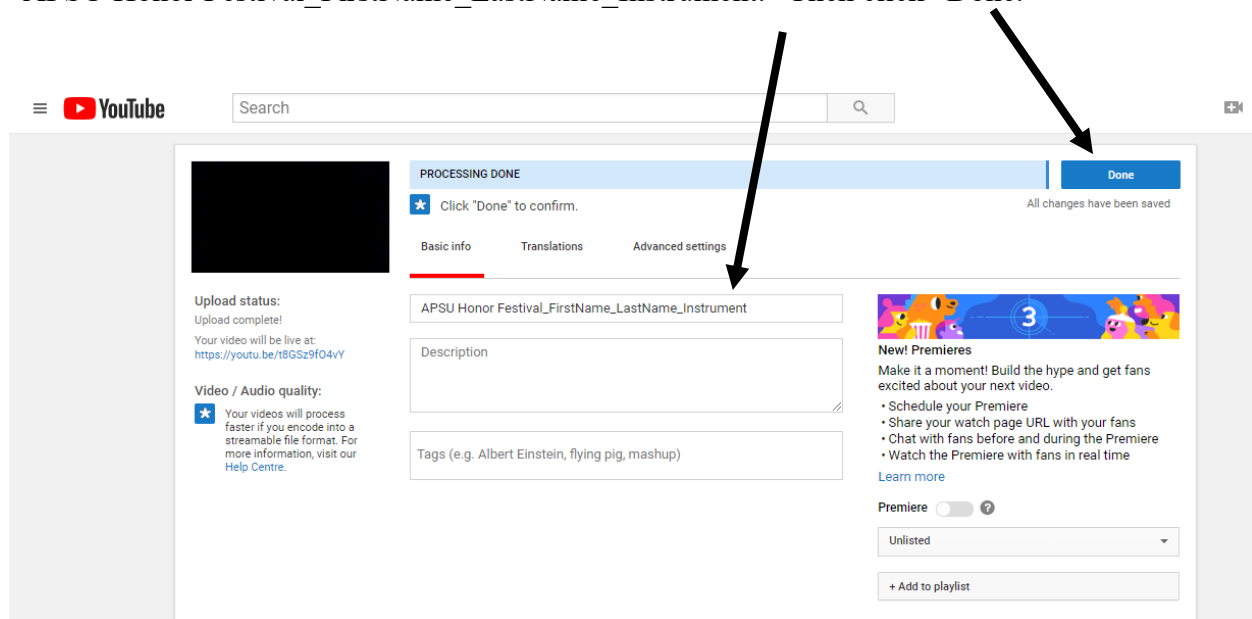

Step 4: Click on “Select files to upload.”

Step 5: Locate your video and select “Open.”

Step 6: Your video will automatically begin uploading. When your video has finished uploading and processing, name the video according the template
“APSU Honor Festival_FirstName_LastName_Instrument.” Then click “Done.”
