

## APSU and Tutor.com Online Tutoring

In a partnership between the Learning Resource Center and Distance Education, Austin Peay State University (APSU) provides current on campus and online undergraduate students free access to online tutoring with Tutor.com in a number of courses. Online tutoring is available 7 days a week, 361 days a year (closed on July 4, Thanksgiving, Christmas, and New Year's Day). Most subjects are offered 24 hours per day. Visit the [online tutoring web page](#) for more information.

### Accessing Online Tutoring Portal

We use Tutor.com; however, **do not go to [www.tutor.com](http://www.tutor.com) for tutoring or support**. Students and faculty access online tutoring with Tutor.com through their [D2L courses](#) (Chrome and Firefox browsers are recommended). Here are [step-by-step directions in a PDF document](#) on how to access Tutor.com as an instructor, and the [steps are nearly identical for students](#).

### Student Success Tutoring
