Students who are not job embedded will be required to completed student teaching.

*MATH 5100 prerequisite: must either take MATH 5001 the fall semester prior to enrollment in 5100, complete MATH 1410 and 1420 as an undergraduate, or take a departmental opt out examination. The MATH assessment for PRAXIS (5003) will also fulfill this prereq but it is not an exam required for licensure.
