APPLYING FOR ADMISSION
(931) 221-7661
800-844-2778 toll-free number

Complete the application for admission online at www.apsu.edu/admissions. All Army active duty military, National Guard and Reservists must apply for admission at www.GoArmyEd.com.

Transient students are admitted for one semester only; transient student applicants must submit with their application, a letter documenting good standing or an official transcript from the college or university in which they are currently enrolled. Prospective transient students should seek assurance from their home institutions that APSU credit will transfer back to the home institution.

All new students and students applying for readmission (students returning after being out for one or more years) must apply for admission and clear the admissions process. Students who have been suspended and wish to return must reapply for admission. New students who are under 21 must present ACT or SAT scores taken within five years of the first day of the first term of their first enrollment; new students 21 and over who do not have ACT or SAT scores must complete the placement assessment before they can be admitted. Active duty military are exempt from submitting ACT or SAT scores if valid scores are not available; a placement assessment must be taken in its place.

Prospective students must complete all admissions requirements before the published deadline stated in the University Bulletin. Those who do not complete these requirements by the stated deadline may be asked to delay enrollment until the following semester or term.

TESTING
(931) 221-6269

For students applying without valid ACT or SAT scores, a computer-based placement assessment will be used to place students appropriately in courses. It is an untimed, adaptive assessment that measures skills in reading, writing and mathematics. The results provide the student and the academic advisor with important information about the student’s individual skills, preparation for the program or degree sought, and the student’s unique educational needs. Placement scores are used in admissions decisions.

Students who require this assessment in order to be considered for admission to the University include:

- **Prospective students 21 and older** who are applying to Austin Peay who cannot provide valid ACT/SAT scores
- **International students** without valid ACT/SAT scores
- **Transfer students** 21 and older who have earned fewer than 12 hours of transferable college credit from a regionally accredited college or university and who cannot provide valid ACT/SAT scores
- **Transfer students** with 12 or more hours who are unable to document transferable college-level English, history and mathematics courses from a regionally accredited college or university

The placement assessment is used for the purpose of academic placement. Students whose scores fall below the level of college ready are required to enroll in enhanced sections of core courses. Deficiencies in reading and writing (English) must be removed during the student’s entering semester or term. A mathematics deficiency must be addressed within the first 30 hours of enrollment.

Prior to testing, an Application for Admission must be completed and submitted to the Office of Admissions. Prospective students must bring a photo ID and APSU ID number in order to test.
ADMISSIONS

TESTING DATES
The placement assessment is given in the Ellington Building, Room 207. Dates for the placement assessment can be found at www.apsu.edu/testing.

Students may register for a test date online at www.apsu.edu/testing. Dates will be added to the Web site and registration link on a recurring basis. If you are unable to test on one of the days listed, please check the Web site periodically for alternate dates. Allow at least two and a half hours to complete the entire test. There is no charge for the test unless it is an ACT challenge or placement exam retest. These require a fee of $10, payable by cash, on test day. If you have any questions or need more information, please contact the Testing Center at (931) 221-6269.

ACT RESIDUAL
Freshman under 21 years of age must provide ACT or SAT scores. Applicants who did not take the national exam while in high school may take the ACT Residual. The ACT Residual does not meet eligibility requirements for the Hope Lottery Scholarship. Scores are non-transferable and valid ONLY at Austin Peay State University. Dates for the ACT Residual can be found at www.apsu.edu/testing/schedule. You may register for the ACT Residual online at www.apsu.edu/testing.

GOVS R.O.W.
The First-Year Experience is a series of events that focuses on success in the first year of university life at APSU. For additional information on these preregistration programs, please contact the Office of Admissions at (931) 221-7661. The primary focus is orientation to the University, academic advising, and registration for classes. Students meet with academic advisors who assist them in developing an appropriate schedule of classes. Student Registration and Orientation Assistants (ROAs) are available to answer questions from a student perspective. All new freshmen students are required to attend a GOVS R.O.W. event in order to register for classes. All new transfer students can do the online orientation, if eligible, or attend a GOVS R.O.W. event.

GOVS R.O.W. Dates
The advisement and preregistration program will be held on various dates. Correspondence will be sent by the admissions office to all students providing available dates and instructions on how to register for a GOVS R.O.W. Session. Students are advised to sign-up for the earliest possible session.

APSU 1000, Transition to the University, is required of all students who have earned less than 12 hours of traditional, college level course work. Remedial, developmental, non-traditional and dual enrolled credit course work are not included in these hours. The course work must be completed in a college or university setting. It is encouraged for all students who transfer to APSU. Students must pass APSU 1000 with a grade of “C” or better.

DROP AND ADD
Dropping and adding classes or any schedule adjustment may be done during preregistration through the AP OneStop. For drop and add dates, refer to Important Dates for details.

WITHDRAWAL FROM THE UNIVERSITY
Complete withdrawal from the University is defined as dropping ALL classes during a given semester. During the “WWF” period your grade is assigned by your professor. This grade is based on the faculty member’s assessment of your progress at the time of withdrawal. During the Mandatory “F” Period a grade of “F” will automatically be assigned. Please consult your academic advisor or your financial aid counselor before making the decision to withdraw.

Any student who wishes to completely withdraw from the University and drop all courses must complete the process through AP OneStop. The Withdrawal from APSU link is found under the Registration link on the Student tab. Fee adjustments will be made only when the withdrawal is completed within the dates published in this schedule.

If you receive federal student financial aid such as Federal Pell Grant and Federal Stafford loans, you may owe a repayment when you withdraw from the University. For additional information, contact your financial aid counselor. If you receive VA educational benefits, you may owe a repayment when you withdraw from the University. For additional information, contact your VA counselor.

DIRECT DEPOSIT
For students who previously have not signed up and who want their credit balances/refunds to be deposited to their banks, see Office of the Student Account Services Web site (Direct Deposit Information) for instructions on enrolling. You must log into your AP OneStop and add this information.

1098-T TAX RELIEF ACT OF 1997
The Tax Relief Act of 1997 provides tax benefits for those who are paying higher education costs for themselves and/or members of their families. These benefits include the Hope Scholarship and The Lifetime Learning Credit. To get more information about these credits, Publication 970-Tax Benefits for Higher Education is available from any IRS office or on the Web at www.irs.ustreas.gov.

Form 8893 is used to file for the credit. To assist in completing this form, higher education institutions are required to issue a 1098-T form. The 1098-T forms are sent at the end of January to all students enrolled at any time in the previous calendar year. The following information is included on the form 1098-T:

- Box 2 – Amounts billed in the calendar year for qualified tuition and related expenses.
- Box 4 – Adjustments to qualified expenses.
- Box 5 – Amounts received in the calendar year for scholarships and grants.
- Box 6 – Adjustments to scholarships and grants.
FINANCIAL AID, SCHOLARSHIPS & VETERANS EDUCATION BENEFITS

FINANCIAL AID
All financial aid paperwork must be completed with the Student Financial Aid Office prior to fee payment. Estimated federal aid (including student loans that have been guaranteed) will be on the fee statement if you have completed the entire FAFSA application/award loan process. Please refer to the online 2019-2020 Financial Aid Calendar at www.apsu.edu/financialaid/ for important dates and deadlines.

If you have a zero balance or a credit balance (CR beside “pay this amount”) on your fee statement, you may use AP OneStop to confirm your classes. You must confirm your classes by January 20, 2020 or your classes will be cancelled.

Types of financial aid awards that WILL NOT appear on the fee statement are the following:

- Federal Work Study Program (funds are earned during the semester and are not available at registration)
- Most scholarships awarded from sources other than APSU
- Vocational rehabilitation (VA and state)

If you are in violation of federally mandated Satisfactory Academic Progress Guidelines, your federal financial aid award and most state funded assistance will be canceled and removed from your account. If you wish to appeal for reinstatement, you should submit a completed appeal form, with supporting documentation, to the Office of Student Financial Aid & Veterans Affairs. Appeals submitted during late registration will not be reviewed until after late registration. If you are in violation of Satisfactory Progress Guidelines, you will not be able to confirm classes using federal student financial aid or receive a federal financial aid balance check unless your appeal has been approved.

Students are responsible for having sufficient funds to purchase books.

Per federal regulations (34 CFR 668.20), a student may receive financial aid for developmental/remedial (DSP) courses. However, a student can only receive financial aid for a maximum of 30* attempted hours in developmental/remedial coursework. Once this limit is reached, a student’s financial aid may be affected. (*Attempted hours are all developmental/remedial coursework that has been passed (P), failed (F), incomplete (I) and withdrawn (W, WFA, WFN).

NOTE: If a student borrows his/her maximum loan eligible in Fall and Spring, there will be no eligibility for any loans during the summer terms.

Please visit our website at: www.apsu.edu/financialaid/ for forms, applications and details regarding various aspects of federal and state assistance. AP OneStop is a great source of information about your personal financial aid status. It is recommended that students access their APSU webmail on a regular basis. It will be the primary source for communication.

FA/FN POLICY
Our office may be required to refund portions of or all Federal Financial Aid for students receiving an FA (students who stop attending class) or an FN (never attended) grade and for those students who totally withdraw. We are also required to review all total withdrawals for possible repayment of federal funds and/or Lottery Scholarships.

SCHOLARSHIPS
Academic scholarships are awarded to in-coming freshman from his/her admissions application. Additional scholarships are listed online at http://www.apsu.edu/scholarships.

DROP/ADD
If you change your enrollment status within the first 14 days of classes, your financial aid and/or Lottery Scholarship will be adjusted accordingly and you may be billed.

You can visit our Web site at www.apsu.edu/financialaid/ for forms, applications and general information.

OVA forms are available online at www.apsu.edu/veterans-affairs/online_forms.

**After the 14th day of class, you may check your APSU VA enrollment certification status via your AP OneStop.  
**Accelerated courses may affect your VA monthly entitlement.

Due to changes by the Department of Defense, the VA will not allow schools to submit enrollment certifications for the same courses in which TA is paying. In order to process an enrollment certification, the APSU Veterans Affairs must verify that TA is not paying for the same courses. You will need to submit a copy of TA breakdown from the Department of Defense portal to our office. The TA breakdown will show which courses have been covered by TA and which courses have not.

If you fail to receive prior authorization or the course is not required for your program, you will be billed by the University for the tuition/fees associated with these courses.

PARKING DECAL
(931) 221-7786

All students who plan to park on campus must have a parking decal. Students who pay the general access fee may pick up a decal at the Public Safety Office, Shasteen Building, 7 a.m. to 7 p.m., Monday through Friday. Decals are valid to Aug. 31, 2020.

POST OFFICE
(931) 221-6161

Students who live in residence housing (except Emerald Hills) will have a $9 Post Office box fee included with tuition. Once classes are paid and validated, students must come to the Post Office to be assigned a P.O. Box if they are a new student. Returning students can use the same P.O. Box from the prior term.

Students who do not live in residence housing but would like a P.O. Box must pay the $9 fee at the Cashiers’ windows and bring the receipt to the Post Office for verification and P.O. Box assignment.

To receive your box number and combination, visit the campus Post Office in the Morgan University Center, Room 119.

OFFICIAL COMMUNICATION FROM APSU

The speed of communication made available by electronic mail (e-mail) has proven to be a prompt and efficient means for the University to inform and notify students. Official electronic notifications, including those required by statues, those required by University policy and instructions from University officials, will be sent to students’ Austin Peay State University assigned e-mail addresses: username@my.apsu.edu. Delivery of communication to a student’s University provided e-mail address will constitute constructive notice. Students should therefore routinely check, read and respond to (as may be appropriate) the contents of their University provided e-mail address mailbox. Your APSU e-mail address is your official form of communication for all APSU correspondence.
REPORTING FRAUD, WASTE OR ABUSE

State law requires all public institutions of higher education to provide a means by which students, employees or others may report suspected or known improper or dishonest acts. In addition, Austin Peay State University is committed to the responsible stewardship of our resources.

Whether you are part of departmental management, a faculty or staff member, a student or an interested citizen, we encourage you to report known or suspected dishonest acts by employees, outside contractors or vendors.

What should I report?
Dishonest acts, either known or suspected, should be reported, such as the following:

- Theft or misappropriation of funds, supplies, property or other University/college resources.
- Forgery or alteration of documents
- Unauthorized alteration or manipulation of computer files
- Improper and wasteful activity
- Falsification of reports to management or external agencies
- Pursuit of a benefit or advantage in violation of Austin Peay State University’s conflict of interests policy
- Authorization or receipt of compensation for hours not worked

Think before you speak!
Before making allegations of dishonesty, be reasonably certain of any claims. Such allegations can seriously and negatively impact the accused individual's life and adversely affect the working environment of the department.

Reporting options
Several options are available to all Austin Peay State University employees, students and others for reporting known or suspected dishonest acts. You may report your concerns in the following manner:

- To your supervisor or department head
- To an official at your campus or institute
- To Austin Peay State University Internal Audit, (931) 221-7466
- To the Tennessee Board of Regents by email at ReportFraud@tbr.state.tn.us
- To the Tennessee Comptroller’s Hotline for Fraud, Waste and Abuse at 1-800-232-5454

If you are a supervisor, department head or campus official and you receive a report of a dishonest act, contact Internal Audit at (931) 221-7466 for further assistance.

Investigations
When Internal Audit receives allegations of dishonesty or other irregularity by an employee, outside contractor or vendor, they are required to conduct an investigation.

Department management should not attempt to conduct investigations or alert suspected employees of an impending investigation.

In an investigation, objectives include verifying the facts, maintaining objectivity and confidentiality, determining responsibility and recommending corrective actions to help ensure that similar actions do not occur in the future.

Protection under state law
As Internal Audit investigates allegations of dishonesty, the reporting individual’s confidentiality is protected under Tennessee Code Annotated Title 10, Chapter 7 (subject to court action requiring disclosure). Also, state law prohibits discrimination or retaliation of any kind against employees who report allegations of dishonest acts.

Reporting responsibility
Internal Audit has reporting responsibility to the Audit Committee of the Tennessee Board of Regents through the director of System-wide Internal Auditing. This reporting relationship enables them to review independently and objectively matters involving any level of administration at Austin Peay State University.
REPORTING FRAUD, WASTE OR ABUSE

_Preventing fraud, waste and abuse_

Austin Peay State University management is responsible for establishing and implementing systems and procedures to prevent and detect fraud, waste and abuse.

The basic elements of a proper control system include the following:

- Creating a culture of honesty and high ethics
- Evaluating risks and implementing processes, procedures and controls to prevent, deter and detect fraud, waste and abuse.
- Developing an appropriate oversight process

Management at all levels of Austin Peay State University should review the information that is available from the American Institute of Certified Public Accountants in the document, Management Antifraud Programs and Controls: Guidance to help Prevent and Deter Fraud, at the web site [www.aicpa.org/download/antifraud/SAS-99-Exhibit.pdf](http://www.aicpa.org/download/antifraud/SAS-99-Exhibit.pdf).

Please contact Internal Audit at (931) 221-7466 if you need assistance in reviewing risks, processes, procedures or controls or in providing internal control training.
