

## Determining LDA for online courses (in D2L):

In D2L, instructors are able to view graded submissions for withdrawn students. To locate a student's last graded attempt, please follow these steps:

1. In the D2L navigation bar, click **Tools**, then select **Classlist**.

2. On the Classlist page, click **Enrollment Statistics**.

3. Scroll to the Withdrawals section and locate the student. Click the down arrow next to the student's name and select View Grades.

<input type="checkbox"/>		[Redacted]		[Redacted]	[Redacted]	Student	Feb 5, 2026 3:00 PM	Feb 1, 2026 7:13 PM
<input type="checkbox"/>		[Redacted]		View grades	[Redacted]	Student	Jan 20, 2026 5:00 PM	
				View Attendance				

- All graded items that the student submitted will display a **Submission icon**. Clicking that icon will take you directly to the associated grade item, where you can view the submission date.

**DROP BOX: Workbook Project 2 Colors - Submissions** 0 / 6.25% of final grade

**Submission**

Grade  
0 / 25 (0 / 10) Scheme: 0 %

Associated with the dropbox folder "DROP BOX: Workbook Project 2 Colors - Submissions"

- If the student submitted multiple assignments, you'll need to open each graded submission to identify the most recent submission date and determine the LDA.
