

2025 United Way Campaign November 3rd to November 14th

Our United Way campaign gives us the distinct opportunity to help give our neighbors the services they need to be healthy and strong; our families the basic needs to survive; every child an equal opportunity to learn; and the next generation the tools and support they need to move out of poverty and build a brighter future.

2024 Impact in the Greater Clarksville Region

Our Community Impact Funding process mobilizes resources to provide results-oriented funding to 23 nonprofit agencies serving the Greater Clarksville region.
