#### 1. SMOKE-FREE CAMPUS

1.1. Austin Peay State University is a smoke-free campus, except in areas designated on the smoking area map located here:

https://www.apsu.edu/map/pdf/smoking-map.pdf

#### 2. HARRASSMENT FREE CAMPUS

2.1. It is the policy of Austin Peay State University that students, faculty, and staff learn, live, and work in a safe learning, living, and working environment. APSU is committed to eliminating all acts of sexual misconduct, discrimination, and harassment on its campus. Anyone violating this policy will be immediately removed.

- UNDERGROUND UTILITY NOTIFICATION & ON-SITE PRE-EXCAVATION MEETING
  - 3.1. Austin Peay State University participates in Tennessee811.
    - 3.1.1. In addition to contacting Tennessee811, contractor shall contact the two University locating services within 24 hours of contacting Tennessee811:
      - 3.1.1.1. Physical Plant 931-221-7456; and
      - 3.1.1.2. IT/Communication Department 931-221-6284
    - 3.1.2. Contractor is responsible to ensure locate markings are conspicuous and free from debris during ongoing excavation operations.
    - 3.1.3. On-site Pre-excavation Meeting
      - 3.1.3.1. Excavation shall not occur until an *On-site Pre-excavation Meeting* form is signed and dated by the Project Manager.
    - 3.1.4. See Appendix A at the end of this section for the *On-site Pre-excavation Meeting* form.

### 4. KEY CHECKOUT

- 4.1. Contractor shall obtain a signature from Capital Planning Design & Construction and submit a key request form to the Office of Operations Management, 136

  Shasteen at least 24 hours prior to borrowing keys.
- 4.2. Contractor shall return borrowed keys prior to turnover to owner.
- 4.3. See Appendix B at the end of this section for the Key Reguest Form.

### **DIVISION 01 31 14—FACILITIES SERVICES COORDINATION**

## 5. MATERIALS DELIVERY

- 5.1. Deliveries shall be made to the contractor's work site or home office.
- 5.2. Austin Peay State University will not take delivery or store materials for contractors. Deliveries will be refused and returned to the courier.

# **Capital Planning Design + Construction**

255 Marion St., Ste 10 Clarksville, TN 37044

Expected dates of excavation:  Attendees:  *Project Manager (PM)  *Physical Plant  *Grounds Department  *Information Technology  *Contractor  Sub-contractor  Designer  Public Utility Representative  *Mandatory Participant  Has 811 been contacted?  Have utilities been located and marked?  Are the areas of excavation marked?  Does Physical Plant approve the utility markings?  Does IT approve the utility markings?  Does Grounds approved the utility markings?  Does Grounds approved the utility markings?  Does Grounds approved the utility markings?  Has power, gas, steam, water, etc. been temporarily shut down for excavation?  Have IT cables been pulled from all conduit and pull boxes affected by excavation?  In areas of densely packed utilities, owner will have a site observer during work who will paint exposed utilities: red means don't disturb, green means okay to disturb.  Has the person who will observe and mark conduits been identified? Name(s):	PRE-EXCAVATION MEETING
